And He Could Not Use A Mirror

Phil Price of Canton does not let the fact that he is blind restrain his desire for a good time and his ability to act. Here he is dolled up as a Negro Minstrel Man at the Lions Club's party for the blind of Haywood County held Sunday in Canton by the three clubs of the county. (Mountaineer Photo).

\$2,900 Taken Out Of Safe; Man Charged For Her Hero Dad

The theft of \$2,900 from the Boyd Furniture Store on Main St. has been charged to James Fournery, colored, of Waynesville, according to Chief of Police Orville Noland. Chief Noland said that Fournery is accused of taking \$2,150 from the safe last Monday, and another \$750 a few days before that. The suspect had been working apart time as a janitor at the furniture store. The safe was believed left open at the time of the alleged theft. Arrested Friday afternoon, Fournery admitted the theft and paid back money he had not spent. Chief Noland said. He was bound over to Superior Court after a hearing and released on \$1,000 bond. Chief Noland also reported 30 other arrests made during the week-end. Two were for reckless driving, one for speeding, and one for drunk driving. The remainder were for drunkenness. Among arrests made during the week-end by the state highway patrol was the apprehension of five Indians driving on Soco Gap with jars of untaxed whiskey in their car, according to a report made by Patrolman Joe Murrill. Patrolman Murrill stopped the five men in their car Friday night, and found several gallons of whiskey and a .22 rifle. The five were identified as Amoneta Sequoyah, charged with driving drunk and possession of untaxed whiskey; Richard Bradley, Sammy Watty, Herbert Swimmer and Jesse Hill, all charged with possession of untaxed whiskey.

THE CHUBBY HAND of 8-month-old Linda Lee Hill reaches out to grasp the Bronze Star that was presented to the infant and her mother, Mrs. Margaret Hill, at a ceremony in Detroit's Veterans Memorial Building. The medal is a symbol of the heroism of the father she never saw, Cpl. Carl G. Hill, missing in action in Korea. (International)

TURKEY SUPPORT

DES MOINES, Ia. (AP)—The Department of Agriculture has indicated, in view of the record large turkey crop U. S. farmers are raising this year, that it intends to buy turkeys, if necessary, to keep the market from being overloaded. The department has what it calls a "standby" program under which it would buy large size birds, and distribute them to schools, for lunches, and to some non-profit institutions.

ONE HEAD SHORT

HARRISBURG, Ill. (AP)—This southern Illinois city just missed having a nice round population figure by a head. The 1950 census count was 10,999.
