

Coach Rogers Gets Off Another Good Story

Coach Tom Rogers, of Wake Forest, proved to be as good a story spinner as he is a football coach, as he was "warmed up" with a group before the banquet here Saturday night. In the early thirties when he was All-Southern end for Duke, he played next to Freddie Crawford, All-American. Coach Rogers recalled the Duke games, as he met Mr. and Mrs. Whitener Prevost (on the left), the latter a sister of Waynesville's All-American player. Others shown are Dr. and Mrs. Boyd Owen, host of Coach Rogers, and Dr. R. Stuart Roberson, also a Wake Forest alumni. (Mountaineer photo.)

The Cecil C. D. will meet at the Riverside Church at 7:00 p.m. Thursday to discuss the transfer of the Hospitalization Insurance and perhaps sign up for it. The present policy is only in effect until January 10th.

A representative of the Blue Cross-Blue Shield group will be present to discuss fully the various policies and to answer any questions. Anyone in the rural communities may take out this hospitalization. It doesn't matter whether or not you already have the type of insurance or are a member of the C. D. program.

This is the only meeting to be held for the Cecil Community. The Blue Cross Insurance Co. is the one carried by the Dayton Rubber Co. and Enka Rayon Co. employees, and gives a better policy since there are more benefits.

Hilliard Phillips spent several days last week visiting in Virginia.
