The December 1948 issue of The Local Yokel, publication of the Junior class of WTHS, is now on sale according to Editor-in-chief, Patricia Brendle.

The four page, tabloid size Yokel, contains features, news, gossip, sports, and a picture and cartoon. The lead story is about how some

student personalities disagree about many things except how good fried chicken is. A feature, "Written by a senior girl," is headed, "Going Steady Is Serious Business." The "Spotlight" is turned on two faculty members, one of whom was two swift to catch in the past. News items include information

A Christmas Wish

Carols echoing sweet and clear—
Frosty stars that lean to hear;
A parlor-tree all tinsel-shine,
Up in the woods, a star-tipped pine;
Greeting cards in a merry shower—
A sweetly solemn midnight hour
When a simple tale and an age-old hymn
Usher the King of Christmas in;
Rebirth of love—new hope for peace—
And a miracle to make war cease—
Let's all wish this for Christmas!
