Cookies Cheer Kids' Summers

"THE BESTEST," kids will say about these fruited cookies.

ROCKING on the verandah, swinging in the hammock, cutting out clothes for paper dolls. Sun peeping through the awning, blue sky stretching out yonder over our front-yard Caragana hedge.
Our Mother's voice from the roof shade-darkened house. "We're having butter cookies and fruit tupp," make a place for the tray! You run to open the screen door. "Call the other children," she smiles. You're at the front gate, peehooing down the street — the sweet crumbliness of the rich butter cookies already on your tongue.
But that was years ago when we were very young. No one calls them verandahs any more. Most of the rockers are gone, rarely you see a hammock. And will any cookies in the world ever taste as good?

SUCH NOSTALGIA! Time to shake ourselves out of the past. Time to try a new butter cookie recipe someone has kindly sent us. We start measuring and mixing the ingredients, dropping the creamy mixture onto the pans.

Two young friends — ages eight and five — come to play on our roof terrace and taste our new recipe. We take the last cookie pan out of the oven, then we're ready with the tray. The little girls run to open the terrace door, move their dolls from the table. They bite into a cookie. Small hands reach for another, then another and another. "These are the bestest cookies!" they say.

FRUITED BUTTER COOKIES
Ingredients: 2 cups sifted flour, 1/2 teaspoon salt, 3/4 cup seedless raisins, 1 cup butter or margarine 1/2 cup sugar, 1 egg yolk, 1 teaspoon vanilla, 2 or 3 drops almond extract.

Method: Sift flour and salt together. Rinse raisins; drain. Cream butter and sugar. Add egg yolk, vanilla and almond extract and beat well. Blend in flour. Stir in raisins. Drop by small spoonfuls onto greased baking sheet. Bake in hot (400F) oven 10 to 12 minutes. Allow to cool on pan 2 or 3 minutes. With broad spatula remove carefully to wire rack to cool. Makes about 4 dozens cookies. If stored in tightly covered tin container, these cookies will stay crisp.

"Can I take off every afternoon, Mr. Fitta, if I file everything in the morning?"

Deep Green Lends Richness
Walls and woodwork painted deep green, beneath a white-coated ceiling, provide an effective setting for a living room furnished in Early American style. The richly finished maple desk, doughtray and coffee tables show to exceptional advantage against the dramatic wall color.

Odd Bones
Fossil hunters dug up near Manchester, Ohio, the remains of giant "sea scorpions," some of them six feet long, locked in volcanic ash in the bed of the ancient salt sea which once covered Ohio. A pair of fossilized dinosaur eggs were discovered in southwest Tanganyika, first such ever found in Africa.

Now that's what I call REAL Coffee!

There's a big difference in coffee, if you haven't already learned. Most people have and that's why the delicious flavor of JFG Special just naturally brings out, with the first sip "That's what I call REAL coffee!"

It stands to reason...

Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in any product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today... for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, it's the lowest-priced truck line of all! Come in and talk it over with us.

About Time
In Topeka, Kans., instant after a bill was introduced in the house of representatives calling for examination and licensing of electrical contractors and workers, the chamber lights went out.

Tailored Look
Pure silk shantung will give you that neat, tailored look so desired during spring and summer. Have yourself a suit or tailored dress in it in one of the choice colors for the season, medium or navy blue or gray.

Buiera Jacket
A clever way to add freshness to a buiera jacket for a suit from a previous season is to add a tiny collar of black velvet to it. If you have button trimming on the suit, use covered pulvet buttons to match the collar.

Conservative But Smart
Those who wear a wardrobe and style and like to dress conservatively though, smartly will find flattering print dresses being in both navy and gray with touches of sparkling white. One-two-piece models are available.
