

den Club Makes Plans Flower Show, August 20

Plans have been announced for an annual flower show sponsored by the Richland Garden Club which will be held Thursday, August 20, in the dining room of the Methodist Church. Mrs. Waynes is serving as general chairman.

The show will be held in accordance with the rules as announced by Mrs. Waynes. The flower show is open to all exhibitors, without membership in a garden club, except professional growers.

The Horticulture Club has been in his possession for two months. Flowers used in arrangements will be grown by the exhibitor. Entry will be allowed in each class.

The schedule is as follows:

4-H Exchange Group To Leave For Trip Monday

Thirty-two 4-H youngsters, accompanied by six leaders, will leave Monday for a two-week exchange trip to Berkshire County, Mass. They will be guests in the homes of 4-H Club members in Pittsfield, and a wide variety of entertainment is planned for them.

Leaving Waynesville at 7 o'clock Monday morning, the group will arrive in Pittsfield Wednesday afternoon, spending one night in Richmond, Va., and the second in New York City. A visit to the Empire State Building for a panorama of the lights of the New York metropolitan area by night is planned for Tuesday evening.

The day after their arrival at Pittsfield, the party will go to the three-county 4-H camp at Goshen. On Saturday they will attend the student concert at the famed Tanglewood center, visit Highlawn Farm, home of the largest Jersey herd in Massachusetts if not in New England, and wind up with a picnic supper and a swim.

Sunday will be spent with their hosts' families, and Monday will see a tour to Mt. Greylock, highest in the state, and then to Mt. Hope farm. A trip to the Crane paper mills and Crane museum is planned for Tuesday afternoon, with a farewell party for that evening.

Wednesday will see the party at the University of Massachusetts to witness a state tractor driving contest and an egg grading contest.

Thursday morning the party heads for home, via the famed New Jersey Turnpike. A half-day glimpse of Washington, D. C., is planned for Friday morning; and the party returns to Waynesville Saturday afternoon.

Adult leaders on the trip are Mrs. O. L. Yates, Miss Mildred Rhinehart, Miss Jean Childers, Carl Ratcliffe, Joe Turner and Cecil Wells.

Club members planning to go are Frances Emma Yates, Nancy Nolan, Martha Swain, Patsy Winchester, Margaret Ann Walker, Patsy Davis, Rowena Robinson, Estelena Robinson, Betty Felmet, Doris Muse, Joanna McCracken, Ann

Parachuted 6 Miles

MAJ. CHARLES GARINO, 33, of Framingham, Mass., is shown after he parachuted nearly six miles to safety from his jet fighter when it collided with another jet over the Olympic Peninsula. The planes were from McChord Air Force Base, Tacoma, Wash. Two men flying in the other jet were killed. (International Soundphoto)

New York School Sends 24 Students To Study In Area

A group of 24 New York City students will arrive in Haywood County early in August as part of a plan to broaden their horizons beyond the city's metropolitan area.

As part of their teacher training course at Adelphi College, they will embark on a work-study program at Springdale Farm, under the direction of Mr. and Mrs. Richard T. Alexander. They will visit other farms, local industries, and in all possible ways study the way of living of a part of the country almost completely different from their own.

Dr. Agnes Snyder, chairman of the education department of Adelphi, said that the six weeks at Springdale is probably the most important part of their five-year teacher training program. "Understanding people is one of the most important abilities a teacher must have. Since most of our students come from areas near New York City, we feel it is important for them to know another part of the country which is completely different from their own," she said.

Chinchilla Trip?

LONG BEACH, Calif. (AP)—The president of the American Baptist Convention is looking toward a newly started chinchilla business to pay for another visit to the Holy Land.

Dr. Winfield Edson, pastor of the First Baptist Church here, visited the Near East two years ago, the trip given him by his congregation. On his return, the pastor said, "I would like to return there at the earliest opportunity at my own expense."

The minister bought a pair of chinchillas at that time, now has 18 of them. He keeps them in his garage. The pastor hopes the sale of the chinchillas will enable him to pay for another visit "to the places that are foundational in our faith."

Farmers To Witness Tractor Hitch Exhibit

Farmers have been invited to the L. M. (Med) Leatherwood farm on Jonathan Creek Monday for a demonstration of the new automatic Farmall Fast-Hitch for the Farmall Super C tractor.

Those attending will see how the tractor can be backed up to any one of the line of Fast-Hitch implements and coupled to it automatically. The driver does not need to leave the tractor seat either to hitch or unhitch.

Pvt. Dills Completes Course At Fort Lee

Pvt. Don D. Dills of Hazelwood was recently graduated from the General Equipment Repair Course offered by the Quartermaster School at Fort Lee, Va.

A graduate of Waynesville High School, Pvt. Dills entered the service in January of this year. He has been attending the Quartermaster School for the past four months.
