Rockwood Church To Observe Youth Week

By MRS. JARRETT WILLIAMSON
Community Reporter
The Rockwood Methodist Church
will observe Youth Week beginning
Sunday, July 26, through Friday,
July 31. The Rev. J. H. Coleman
of Maggie will be in charge of the
services. All young people of the
community are invited to attend.

The Misses Lola and Betty Jean
Ford and Geraldine Smith have re-
turned from a week at Myrtle
Beach.

Mrs. Christine Keith and son,
Jackie Joe, are visiting the form-
er's mother, Mrs. Zennie Medford.

Miss Elizabeth Medford is
spending a few days in Atlanta as
the guest of her uncle and aunt,
Mr. and Mrs. Allan Pittard.

Miss Jewel Williamson, student
nurse at Watts Hospital, Durham,
spent the weekend with her par-
ents, Mr. and Mrs. Jarrett William-
son. She was accompanied to Dur-
ham by her brother, Loy Lee, who
will spend a few days there.

One cup of raw rice usually
makes three cups after it's cooked,
so count on one-third cup of raw
rice for each person to be served.

THESE FOUR YOUNG LADIES have been nomi-
nated as candidates for the 1953 title of "Queen
of Lake Junaluska". Left to right: Miss Lucy
Neeley of Columbia, S. C.; Miss Joyce Carter,
Lake Junaluska; Miss Mary Moore, Columbia,

Ga.; and Miss Louise Leach, Lake Junaluska. The
election will be held August 1, and the gala cor-
onation is scheduled for August 15 in the lake-
side auditorium.

Trouble With Pork

ANADARKO, Okla. (AP) —
Policeman Bill Johnson found two
pigs running loose in the northeast
residential district and spent a
puffing few minutes before he tor-
ed them.

Then the frightened porkers
dragged Johnson several more
blocks before he finally got them
loaded into a borrowed truck.

"I guess nothing more can hap-
pen now," he sighed as he got into
the truck to drive the pigs to the
police station. Johnson got a few
blocks—and the truck ran out of
gas.

Although chiggers in the United
States are just an uncomfortable
pest, their relatives in the Far East
spread scrub typhus.

Bloodmobile will be at the
Presbyterian Church
a.m. until 5 p.m. and the
visit has been set at
sum of 150 pints.
Blood has been pressed
duty by the use of
globulin—a product of
plasma—as a protection
the crippling that is the
nature of polio.

Underwood emphasized the
need for help in carry-
ing this two-fold program of the
mass and asked that the
of the community make
