Oleo Jackpot

HOBART, Okla. (AP) — You've heard of people who examine oysters hoping to find a pearl. Mrs. Fain Muldowney hit the jackpot in a cube of oleomargarine.

The housewife was mixing a cake when her knife hit something hard as she whittled off a portion of oleo. Inside was a 14-karat gold ring with a center diamond flanked by smaller stones.

A Hobart jeweler examined the ring and said the stones were genuine.

THE YOUNGER SET

By ROSE WOMACK

Seeing the familiar faces of Mary Lou Gerring and Nancy Bischoff this weekend was quite a treat for their many friends. Nancy and Mary Lou, incidentally, are student nurses at Duke University.

Charles Howell (better known as Charlie) arrived home last week after spending several weeks in the "hills" of Kentucky.

The square dances are getting to be a Wednesday and Saturday night habit for most of the "Younger Set." Even if square dancing doesn't appeal to you, it's just as much fun to spectate. The best square dancing performances are usually given by Dede Frazier, Marlene Moody, Dale and Anna Medford, Hallett Ward, Jody Redman, Bobbie Jean Medford, Linda Welch, and of course, Jimmy Kuykendall. It's very interesting to watch the different styles used by these people. Just take note of them the next time you attend one of these shindigs.

The plans for the Center and swimming pool near perfection as they could ever hope to have in Waynesville. Since the plans appeared on the front page of the Mountaineer, a great deal of enthusiasm has arisen. Our visitors say that this was a great asset to Waynesville who better than we who know that? Our greatest swimming pool, and we realize the necessity for it, be if we had a swimming pool wouldn't be tempted to swim in polluted water as are now doing.

One thing for sure is the fact that we've got to get the ball" and get everyone the plans for the Center. It's certainly going to be a certain going to co-operation.
