#### We mean that literally.

Because that's all the money it takes to buy this great new 1953 Buick Special.

That's all it takes to boss its high-compression Fireball 8 Engine-now stepped up to the highest horsepower in Buick SPECIAL history.

That's all it takes to enjoy its still finer Million Dollar Ride - its full six-passenger roominess - its light-as-a-flyrod handling ease.

But if you're surprised at this news, we can't blame you a bit.

Most people are—when they learn that you can get Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few

dollars more than the cost of the socalled "low-priced three."

Add another happy surprise.

In this Buick you get a long list of "extras" at no extra cost - things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear-things most other cars of similar price charge as extras.

So there you are-definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car.

Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.
