## Possible Feed Shortage Forces Cattle Sales In Lower Crabtree

By MRS. MILLARD FERGUSON, Community Reporter

Our farmers are now shifting their salable cattle off to market. If the dry weather continues much longer, there will be many sold, despite the low price, that would otherwise be kept over. A feed shortage seemingly will be with us again come winter.

Kermit Wells, son of Mr. and Mrs. Hubert E. Wells, Clyde, R. 1, has successfully completed a 4-year course in pharmacy and received his B.S. degree August 20 from the University of Georgia, Athens, Ga. With his wife and children he is spending a 2-weeks vacation with his parents, after which he will assume his new duties as manager and pharmacist of the Cole Drug Co., Knoxville, Tenn. Keller, another son of Mr. and Mrs. Wells, is expected home soon from the Philippines, where as P.F.C. he is with the Clark Airport Base Medic Supply group.

Our prayers and good wishes go to Mr. and Mrs. Sam Best whose small son (Carey) is so sick.

Deepest sympathy is extended to the family of Dillard Palmer, of the Rabbit Skin section, whose death occurred last week after a brief illness. Dillard was one of the 3 surviving children of the late Jesse Palmer and Margaret Palmer-Price. The two now living, Hilliard, a twin, and Polly are reputed to have passed way beyond their allotted 3 score and ten years even to 4 score and ten. All three were unmarried and have maintained separate homes, each living alone.

Mr. and Mrs. Judy Massey and children, of Detroit, are visiting Mrs. Massey's parents, Mr. and Mrs. Marcus Massey of Big Branch. While here they purchased a home from Mr. and Mrs. Carl Jones of Ratcliff Cove, where they plan to move to immediately. Mrs. Massey and the children will remain, and Mr. Massey will return to Detroit where he is employed.

On Sunday, August 23, Mr. and Mrs. Andy M. Ferguson, Annette, Maxine, Irene, Carlisle and Ruth, Mrs. Charles Ferguson, Mr. and Mrs. Millard Ferguson, Mr. and Mrs. C. T. Ferguson, Mr. and Mrs. Lawrence Davis and Mr. Davis' mother, of Waynesville, visited Mr.

and Mrs. J. B. Morgan and Mrs. Morgan's mother, Fannie Ferguson McElroy, at their home in South Hominy.

Mrs. Hubert E. Wells motored to Knoxville last week with her son Kermit. She was welcomed into Tennessee by 10 mountain bears, but didn't see one in North Carolina.

Mrs. Charlie Dotson and Mrs. Wm. Green were hostesses on Saturday night to a large group of friends who were honoring our latest bride and groom, Mr. and Mrs. R. J. Green, with a miscellaneous shower in the home of Mrs. Dotson. The couple received many lovely gifts. Mrs. Green was the former Miss Sue Dotson of Iron Duff.

Mr. and Mrs. Crawford Jenkins of Cove Creek were Sunday visitors of Mr. and Mrs. J. B. Palmer.

Mr. and Mrs. Marshal Kirkpatrick of Hyder Mt. had as their guests over the week end Mrs.

Kirkpatrick's father, George W. Few of Greer, S. C., her niece, Wanda Ruth Kennedy of Statesville, her sister and brother-in-law, Mr. and Mrs. Rudolph Lynn, Lura and Debby of Travelers Rest, S. C.

Alice Gail Ferguson, small daughter of Mr. and Mrs. Joel Ferguson of Vandyske, Mich., is visiting her grandparents, Mr. and Mrs. N. A. Ferguson. She came down with her grandmother Royer who, with her son Joe, is visiting friends in Asheville.

The Rev. Mr. C. O. Newell has returned home from a visit to St. Mary's, O.

Mr. and Mrs. Hugh Noland had as their guests this week Mr. and Mrs. A. C. Huhn, of Tampa, Fla. Miss Margaret also had as her guest her college roommate, Miss Iva Kiger of Winston-Salem.

B. F. Nesbitt has announced that our cannery will be open only on Wednesday from now on. Our community and adjoining communities

have taken good advantage of the cannery and its up-to-date facilities which make canning an instead of a chore.

Uncle Sam James of Pine is visiting his son and Bud James and Mrs. Bill this week. Uncle Sam reached his 70th year in and has a twinkle of happiness in his eye.

Mr. and Mrs. Millard and Mr. and Mrs. C. T. are in Greensboro this week. Mrs. Millard is attending the Odell School of Missions. Mrs. C. T. and Millard are nearby places in a know-no state tour.

Our last quarterly conference this conference year will be held this evening, September 4 at Mt. Zion. We hope churches on the Charge will be represented with a good attendance.

You're "sitting pretty" behind the wheel. Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around. You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line. A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops. An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars! I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!
