Boys Under 18 Are Warned By Officer To Stay Out Of Pool Rooms; Checks Made

A warning was issued yesterday to all boys, their parents, operators of pool rooms, that violation of the law for boys under 18 years of age and under to be in pool rooms, or places where beer is sold, is strictly enforced. The warning came as school officials consulted with Jerry Rogers, attendance officer for the county, relative to strict enforcement of the law in connection with school attendance.

Mr. Rogers said he would check pool rooms, and school officials that any registered student under 18, found in pool rooms, and attending school regularly, will be subject to immediate arrest under the school attendance law ap-

ply with the law will be cited to court," he said.

Mr. Rogers went on to explain, that in order that everyone might know the details of the state law as to compulsory school attendance, it reads as follows:

Parent or guardian required to keep child in school; exceptions.

—Every parent, guardian or other person in the State having charge or control of a child between the ages of seven and fifteen years during the twelve months following July first, one thousand nine hundred and forty-five, and between the ages of seven and sixteen years thereafter, shall cause such child to attend school continuously for a period equal to the time which the public school in the district in which the child resides shall be in session. The principal, superintendent, or teacher who is in charge of such school shall have the right to excuse the child temporarily from attendance on account of sickness or distance of residence from the school, or other unavoidable cause which does not constitute truancy as defined by the State Board of Education. The term "school" as used in this section is defined to embrace all pub-

lic schools and such private schools as have tutors or teachers and curricula that are approved by the county superintendent of public instruction or the State Board of Education.

All private schools receiving and instructing children of compulsory school age shall be required to keep such records of attendance and render such reports of the attendance of such children and maintain such minimum curriculum standards as are required of public schools; and attendance upon such schools, if the school or tutor refuses or neglects to keep such records or to render such reports, shall not be accepted in lieu of attendance upon the public school of the district, town or city which the child shall be entitled to attend; Provided, instruction in a private school or by private tutor shall not be regarded as meeting the requirements of the law unless the courses of instruction run concurrently with the term of the public school in the district and extend for at least as long a term. Foursome Shoots 15 Under Par

WESTBURY, N.Y. (AP) — Promoters of four-ball golf tournaments could do no better if they arranged a match involving former National Open champions Dr. Cary Middlecoff and Lloyd Mangrum and Claude Harmon and Ted Kroll.

Here are the scores for this foursome in the second round of the recent Round Robin at Meadow Brook:

Middlecoff, a course record 64; Mangrum 65, Kroll 67 and Harmon 69. Par for the exclusive course is 70.

"It was the best mass foursome I've ever seen on a good golf course," says former PGA champion Jim Ferrier, an Australian playing out of San Francisco.

"The greens were just damp enough to judge putts well," says former Open champ Byron Nelson.

Grand Prospect Noted

PADRONI, Col. (AP) — Sixteen-year old Gerald Gardiner, an apprentice jockey from this northeastern Colorado town, rode his first winner at Omaha's Ak-Sar-Ben track late in May.

Within a week he had ridden a total of six winners. One of the animals was named Grand Prospect, which is what several horsemen at the Omaha track say about young Gardiner as a future saddlesmith.

Homeless Alumni

MOREHEAD, Ky. (AP) — Ghosts of the old Morehead Normal School were revived temporarily recently when 82 white haired alumni met in tribute to their now defunct alma mater.

Graduates and former students of the old school, which went out of existence 31 years ago, talked over old times.

The school existed from 1887 to 1922, sponsored by the Christian Women's Board of Missions.

Two Shows Scheduled By Preston

Preston The Magician and Hypnotist will perform Friday evening at 8 o'clock and again Saturday at 8 p.m. at the high school auditorium, under the sponsorship of the Waynesville Lions Club. This is the second year in succession that Preston has appeared in Waynesville.

The show is composed of magic acts together with hypnotism, and from all indications he will have even a better show than the one everyone enjoyed so well last year.

The proceeds will go to the blind activities of the local club.

Preston will again bring some local person under the spell of hypnosis by the way of radio on Friday afternoon in the show window of Massie Furniture Company.

PRESTON, nationally known magician and hypnotist, will perform Friday and Saturday at 8 p.m. at the high school. He comes here under the sponsorship of the Waynesville Lions Club.

This subject will be awakened on

the stage of the high school auditorium immediately after curtain time. They will then be presented \$12 in cash for the four hours of complete rest. Then on Saturday the same procedure will be followed except for the location. The scene will take place in the show windows of Garrett Furniture Co.

Tickets are available from any Lion member or will be on sale at the door.

Friday afternoon a special show will be held for students the last period of school, at which time the admission will be 35c for students and 75c for adults.

Preston has won a number of awards for his feats of magic along with hypnotism, and is a past president of a magician association.

He has studied from his youth the "black arts" and has reached the heights of perfection. Many will remember the show from last year as one of the best entertainment feats to come our way in a long time. This year the show is rated as even better.

Preston will perform for the Lions and their ladies Thursday night at the Balsam Mountain Spring Hotel.
