

HAPPY FISHERMEN—and they have a right to be happy, with this string of 16 choice bass, weighing from 1½ to 4½ pounds each. W. M. Cobb, left, and Russell R. Kibbe, Jr., right, both Waynesville businessmen, hit the spot in five hours of the "best fishing" in the world Wednesday on the waters of Lake Fontana. "No matter where we threw a plug, there was a big mouth bass ready to grab it," the lucky fishermen said. They started fishing about one o'clock, and finished at 6. (Mountaineer Photo).

Making cupcakes? Then surprise your family with one of these taste treats. Tuck a couple of drained stewed apricot halves in the batter in each cup before baking. Or sprinkle the cupcake batter with small pieces of semi-sweet chocolate before baking. Use either of these suggestions with white or chocolate cake batter.

Line your iron skillet or baking pan with aluminum foil before making an upsidown cake. When the cake is done, turn out foil and cake together and peel off the foil at once. The foil prevents the melted butter, sugar and fruit from sticking. And there's no pan to scour!
