Gets Death Threat

W. F. ROCKWELL JR., a Pittsburgh industrialist, has been threatened with death unless he pays a mail order extortionist \$75,000. The letter, written in a childish scrawl on lined paper and postmarked Columbus, O., was turned over to the F.B.I. The police reportedly have questioned a 23-year-old man who attempted suicide to determine whether he wrote the letter. (International Soundphoto)

Lake Is Home Made

POTTSTOWN, Pa. (AP)—Robert M. Miller, of Pottstown, R. D. 3, likes boating, but couldn't find a quiet lake in his neighborhood—so he's having one dug. Contractors do the digging in exchange for the topsoil they haul away. Though the present lake bed is dry, Miller says the excavators should hit a spring that will fill the 1,200 by 145 foot hole.
