School Student Charged With Reckless Driving

Clifford Howard Caldwell, 16-year-old WTHS student, will be given a hearing in Mayor's court in Hazelwood, the 15th, on a charge of reckless driving. The hearing is the result of an accident at the corner of Brown and Georgia Avenues about 3:30 Monday afternoon in Hazelwood.

Investigating officers, Cpl. Pritchard Smith, and Patrolman H. Dayton, said Caldwell's car, a 1938 coupe, was without brakes, as he tried to stop behind a car turning right off Brown Avenue. After hitting the 1951 Plymouth driven by Mildred Morrison Brock, of East Street, the Caldwell car swerved to the left, knocked down a street stop sign, and two women who were on the sidewalk waiting for a bus.

The two women, Wilsie Green, route three, and Mrs. F. L. Beasley, of route one, Clyde, were taken to the Hospital. Their injuries were found to be minor cuts and bruises, the officer said. One of the women had her watch smashed in the crash.

EYE WITNESSES to the fatal shooting in Iron Duff Tuesday, pointed out the above focal points at the scene, where Woodrow Leatherwood was fatally shot. He slumped to the ground, in the road, at the right rear fender of his car, after walking from a point shown by arrow "Leatherwood" around the stop sign and in front of his car, and then to the rear of the car. Joe Parks told officers he was standing as shown by arrow down by the small mill, which he owns, when he fired three shots at Leatherwood. This picture was made about three hours after the tragedy, which accounts for the extra vehicles on the scene. (Other photo on page one.)

Three Rs And Oil

HOBBS, N. M. (AP)—Students in schools in this southeastern New Mexico oil area are going to get information about the oil industry along with the three Rs.

The American Petroleum Institute and the Oil Industry Information Committee will hold special sessions to show exhibits of what the petroleum industry means to this area and the nation.

Why Responding Contest For Best Bibles

Waynesville County homes haven't completely modern. They have a sentimental attachment for their old family Bibles.

Meisner, Pastor of the Methodist Church, conducted an Old Bible Contest conducted by the group in connection with the American Society's annual Bible-reading program, has tapped a vast store of old-time religious

feeling sometimes hidden beneath the veneer of modern living.

"Response to the search started Nov. 17 for our community's old Bibles has more than confirmed our belief that most people, even non-churchgoers, have a strong attachment for the Scriptures," the minister said.

The county-wide contest will continue until Dec. 16, and participants are asked to call the minister at GL 6-4160 or write him at Box 335, Hazelwood. If they cannot bring the Bible personally, a qualified person will be sent on request to the individual's home to inspect the volume and record its characteristics. No one need give up his entry; he need only substantiate the date of its publication.

Award for owning the oldest Bible will be a new one of exceptional quality, now on display at Massie Furniture Co., 134 Main St., Waynesville.

Leaves It To State

PETERBORO, N. H. (AP)—A postcard received here, requesting information on fall foliage, was addressed:

"New Hampshire Keepers of the Leaves, Peterboro, N. H."

2 Vehicles Meet In Sharp Curve

William Edward Cope will be given a hearing Friday at 9:30 before Justice of Peace Johnny Ferguson, on a charge of driving on the wrong side of the road, according to Patrolman Harold Dayton.

The officer said Cope's Jeepster crashed into a 1946 Ford pickup truck driven by Oscar A. Shuler about 12:30 Tuesday on North View drive in the County Club section. Patrolman Dayton said the two vehicles met in a sharp curve, with the Jeepster on the wrong side of the road.

Both vehicles were damaged about \$200, the patrolman said.

Whistles Them Home

MOSQUERO, N. M. (AP)—Mayor Tito Trujillo recently issued a proclamation that the town fire whistle would blow every night at 8:30. Any person under 21 found on the streets after that time, he said, would be fined.

'Outstanding Man Of '53' To Be named By Jaycees

Waynesville's "Most Outstanding Young Man of 1953" will be named in January, according to an announcement today by Harry "Blue" Robinson, chairman of the Jaycees' committee in charge of arrangements for the selection.

The winner of the annual award will be disclosed at a banquet to be held some time during the week of January 14-21 in observance of national "Junior Chamber of Commerce Week," Mr. Robinson said.

The Distinguished Service Award will be made to a Waynesville man between the ages of 21 and 35 inclusive who has rendered outstanding service to this community during 1953—over and above the usual calling of his business or profession. It is not necessary that he be a member of the Jaycees.

The points on which the DSA award is based include:

1. Contribution to community welfare during 1953.
2. Participation in all-around community activities.
3. Evidence of lasting contribution to the community.
4. Evidence of leadership ability.

5. Evidence of personal and business progress.

6. Cooperation with individuals and civic organizations.

A committee of local civic leaders, all over the age of 36, will be named by the Jaycees to consider the nominations of men placed before them.

Nominations, now open, can be made by writing directly to Blue Robinson at Haywood Builders Supply, or by obtaining blanks to be placed in several business establishments in Waynesville and Hazelwood. The blanks can be mailed to Mr. Robinson or left at the place where they are obtained.

Nominations may be made by any resident of the Waynesville area, but they must be submitted by December 31, Mr. Robinson said.

In addition to a plaque to be presented to the winner of the Distinguished Service Award, two keys will also be presented at the banquet to outstanding Jaycees.

Not eligible for the 1953 award are Rev. James H. Coleman, last year's winner, and Charles Isley, named in 1951.

When you have scraps of pastry left, after making pie crust, roll them about one-eighth inch thick and sprinkle with a mixture of cinnamon and sugar. Cut into rounds and bake in a hot oven until lightly browned.

Looking for a real deal?

Now's the time to save money!

Today's local delivered price of the **BUICK SPECIAL**
2-Door, 6-Passenger Sedan Model 48D (illustrated)
\$233588

You also get a lot more in a Buick that the specifications don't show—more fun, more thrill, more comfort, more pride and pleasure. But why waste another day—with time growing shorter, winter coming closer, and your present car getting older? If you're looking for a real automobile at a real buy in a real deal—come look at Buick right now.

THE GREATEST BUICK IN 50 GREAT YEARS

WE feature the delivered price of the Buick pictured here to make a point about the big trade-in allowances we're giving today. The price you pay for the car itself—the local delivered price—is the first thing to look for when you're bargain-hunting. It's this figure less what you get on your trade-in that determines your real cost—the dollar difference you pay. That means—keep your eye on the dollar difference. The more car it buys, the better deal you make.

So with our low delivered price and the high trade-in allowances we're giving right now—we think we have a whale of a buy for you. And when you check into things, we believe you'll discover this: You get more room and power for your money in this Buick than in any other car on the market. You get hundreds of pounds more automobile here—more strength in the brawnier frame, more durability in the heavier chassis, more safety in the thicker structural members—than in a long list of cars at this Buick's price or higher.
