CHRISTMAS EVE plans are in making. In your mind's eye see the tree standing by the place — tall, green and handsome. You want to have an especially good supper for the family on your tree-trimming fun. Something easy to prepare and something enticing.

Do we suggest a menu? Have supper for the first course pick and green olives, stuffed mushrooms, maybe radishes. Go on to Poulet over toast — utilizing can of condensed cream of chicken soup for the sauce. Then, to make the table really festive, serve a salad-dessert of gelatin and fruit cocktail molded in Christmas tree shapes!

HAM POULET
 Ingredients: 1/4 pound cooked ham (about 1 cup when prepared), 1/2 cup milk, 1/4 cup milk, 10 1/2-ounce can condensed cream of chicken soup (undiluted), 4-ounce can sliced mushrooms (undiluted).

Method: Cut ham in thin slivers 2 inches long. Measure flour

into saucepan; slowly stir in milk so mixture will be smooth. Add soup, stirring well to blend. Cook over low heat, stirring constantly until mixture comes to a boil and is slightly thickened. Add mushrooms and sliced ham. Heat to simmering, stirring constantly. Serve over toast. Makes 4 servings. Recipe may be doubled or tripled.

Note: If desired, 1 tablespoon cooking sherry may be added to Ham Poulet just before serving.

CHRISTMAS TREE MOLDS
 Ingredients: 1 package lime-flavor gelatin, 1 cup very hot water, 1 cup minus 2 tablespoons fruit juice, 2 tablespoons lemon juice, 1 1/2 cups (No. 2 can) drained fruit cocktail, 1 cup cream (whipped and sweetened), maraschino cherries.

Method: Dissolve gelatin in hot water. Add fruit juice and lemon juice. Chill until slightly thickened. Fold in fruit. Turn into individual Christmas tree molds. Chill until firm; unmold. Make tree design on top of molds, using whipped cream in pastry bag. Serve with remaining whipped cream and maraschino cherries for dessert. Makes 8 servings.
