Polio Workers In Canton Area Visit Orthopedic Home

Seventy-two Canton-Clyde-Bethel area March of Dimes workers gathered at the Asheville Orthopedic Hospital, Monday evening, January 3, for their annual kick-off dinner.

The largest group to attend the kick-off dinner yet, these men and women from Haywood County heartily endorsed the need for an intensive campaign and explained their several projects by which

to reach the goal. Turner Cathey, MOD chairman, reminded the group that over \$14,000 is required. Carl Gillis, chapter treasurer informed the campaigners that the chapter is in reality without funds to meet future bills.

The business meeting followed a tour of the hospital where several young polio patients receive treatment together with children who suffer from bone and muscular disorders resulting from other diseases. A motion picture, entitled "They Shall Not Wait," starring Helen Hayes in behalf of the MOD was also shown.

Cathey told workers every effort would be made to publicize their

MOD projects. He told them to make known their efforts, and the broadest possible news coverage would be given them.

Mr. William Beekman Huger, Assistant Treasurer of The Champion Paper and Fibre Company and former Chairman of the Canton, Clyde, Bethel area chapter, Fred Ferguson, present Chairman, and Yoder Clark, also spoke during the meeting.

Miss Powell, Superintendent of Nursing at the Asheville Orthopedic Hospital welcomed the visitors and told them that visits from all interested persons at any time are a pleasure to the staff.
