

Saunook And West Pigeon Win CDP Championships

Saunook's girls successfully defended their CDP basketball championship by outpointing Morning Star, 33-26, and West Pigeon replaced White Oak as boys champions by turning back Ratcliffe Cove, 49-31, at the finals in the CDP tournament Friday night at Bethel.

McCracken and Hooper with 12 and 11 points respectively made the champion Saunook girls, while Chambers and Whitted each got 12 for the Morning Star sextet. The winners were ahead at the half, 23-18.

Turner paced the RC combine with nine points. Bob Tippet, assistant county agent, was in charge of the tournament.

'Unchained' Tells Story Of Prison Without Any Bars

What happens when 2,000 convicted prisoners are released from their caged cells and placed in a "prison without bars" is revealed Wednesday on the screen of the Strand Theatre with the first showing of "Unchained," Hall Bartlett's production for Warner Bros.

Elroy "Crazylegs" Hirsch, Barbara Hale, Chester Morris, Todd Duncan, and Johnny Johnston star in the story of the prison founded by Kenyon J. Scudder at Chino, California. Established 13 years ago by Scudder with only 37 prisoners as an experimental start, the Institution for Men at Chino has no walls, no armed guards and no guns. Today, with more than 2,000 men at Chino there are still no walls or guns.

The story of "Unchained" was based on "Prisoners Are People" by Kenyon Scudder about his experiences in running the unique prison. The film was written, directed and produced by Hall Bartlett.

FBI reports show an 80 per cent increase in major crimes since 1950.

Keane Sees Hal Smith As Orioles' Big Prize

HAL SMITH

By JOHNNY KEANE
(Former Columbus Manager)
The one boy from Columbus who I think will make the majors in 1955 is Hal Smith, whom the Yanks allowed to slip away to Baltimore in the Bob Turley deal. Paul Richards will have a hard time keeping him out of a first string catching job at Baltimore.

He has one of the great arms in baseball. Last season he hit .350 and led the American Assn. He's a righthanded batter. His big trouble is that he's slow. But he makes up for it with power at the plate. He can hit to all fields.

Yes, I'd say the Yankees let a real prize get away from them. You know he was on option to us from the Yankees.

Herb Moford, 26-year-old 6 foot 2 righthanded pitcher, is one of the best curve-balls in the business today. If he doesn't win a starting berth with St. Louis he should help the Cardinals in relief.

Herb also has a good curve ball. His only trouble is that he was slow in developing but I believe he has found himself now and he should be able to go. He won 17

there is need for a ready camera and a supply rod. At Rideau Ferry the Regatta is in full sail. In Ottawa, Canada's capitol, we tie up within sight of Parliament Hill. Maxville lures us ashore for the excitement of the Scottish games."

ITALY - Po River Valley. UWF, 20 minutes, sound, black and white. The broad fertile land of the Po Valley, protected from cold winds by the high mountains which surround it and provide it with abundant hydro-electric power, makes an ideal area for the homes of almost half of the Italian people. This film is a picturization of the development of many large cities and industries fostered by the abundance of cheap electric power and skilled labor. It also presents a delightful contrast in the analysis of daily life in the village of Ricolata d'Adda, a farming community. The religious nature of these Italian farmers is highlighted by showing how each phase of the waking hours of the people is marked by the tolling of the bells in the local church tower.

games for us last year and we didn't have too good a year.

Another pitcher who should help the Cardinals is George Schultz, 29-year-old righthander. A knuckleballer who also has quite a fast ball, George is an excellent short relief hurler. And with the Cards needing bullpen help he should be what they are looking for.

Bob Stephenson, young shortstop who has been out of the service only a year and did exceptionally well for us in AAA, is another I expect will make good with the Cardinals. He's a real comer, a 6 foot 1 boy his best bet is defense. He's a righthanded hitter but hitting is not his strong point.

Gerry Thomas, a lefthanded hitting third baseman, is another ex-serviceman who may help the Cards. He also is only one year out of the service and he's really a fine ball player—a real prospect. With his service behind him he should do all right in a couple of years although the Cards will give him a good look in spring training. He is a good runner, has a fine arm and hits with power. He's highly regarded in the Card system.

Moose To Have Baseball School For Little Loop

A baseball school for the Mountaineer Little League will be conducted this spring by Waynesville lodge, Loyal Order of Moose, it has been announced.

The school will feature advice by expert players on how to play the game and will stress knowledge of the rules and good sportsmanship.

Noble Arrington and Woody Lackey of the Moose will be in charge of the program.

Wrong Bird Food

FORT MADISON, Iowa (AP)—A woman wrote an ink manufacturer to ask whether her two pet parakeets will suffer ill effects because they drink ink from the nib of her fountain pen.

"They even lap it out of the bottle if I leave the top off," she wrote.

The chief chemist for the firm, assured her he doesn't think the parakeets will be harmed if they consume only small amounts.

"But we don't recommend it for that purpose," he said.

Steelers Had Kiss Of Death

PITTSBURGH (AP)—The annual National Football League lottery for new players is proving to be the kiss of death for the Pittsburgh Steelers. Of 19 players named by the Steelers as their No. 1 draft choice, nine either failed to make the grade or refused to play pro football. None of the remaining 10 has proved to be an outstanding star.

Aldridge Sparks Rally, Leads Blue To Victory In Senior All-Star

Although Waynesville's boys caused very little stir in Western North Carolina basketball this season, it was a Mountaineer who took charge of the Blue team—composed of players from Haywood, Henderson, and Transylvania counties—and led it to a 77-70 triumph over a picked squad from Buncombe County Friday night in the third annual Senior All-Star at Enka.

With his team trailing 22-6 at the end of the first quarter, Blue Coach Buck Barkby put in his "subs"—including WTHS co-captain Joe Aldridge—and the score at half-time read: 32-32.

At the end of the third quarter, the Blues gained a one-point margin, at 53-52, and went on to win over the towering White basketweavers—including 6-7 Fred Lentz of Asheville Lee Edwards and 6-5 Dale Ritchie of Owen (Black Mountain-Swannanoa).

The Blue's starting unit was made up of Toby Capps and Worth Wells from Bethel's No. 2 team in the state Class A tournament, Billy Dalton of Etowah, Taylor Garland of Fletcher and Harris Pryor of Edneyville.

On the alternate squad for the Blues, besides Aldridge, were Gerald Milner of Canton, Charles Jolley of Clyde, David Cudd of Brevard and Russ Thomas of Walnut.

Hitting 23 points for the evening, Aldridge led all scorers and was presented a trophy for being the "most valuable" player in the all-

star game. Last year the trophy went to Charlie Carpenter of Canton.

Second high scorer on the Blue team was another Haywood county—Milner, with nine points.

Lentz was top man for the Whites with 16 points.

The losers were coached by Floyd Woody of Lee Edwards.
