

# Junaluska August Program Features Eight Conferences

DR. KARL P. MEISTER, executive secretary of the Methodist Board of Hospital and Homes, Chicago, will be one of the speakers at a regional institute for superintendents and house-parents of Methodist Children's Homes, today through Friday at Lake Junaluska. The institute is sponsored jointly by the Chicago board and the Woman's Division of the Methodist Board of Missions, New York. Bishop Lloyd C. Wicke, Pittsburgh, Pa., will also be a speaker during the institute sessions, under way at Lambuth Inn.

The August program of the southeastern Methodist summer assembly at Lake Junaluska leads off with a Southwide Leadership School and a national Church Music Institute, and continues through the month with a total of eight conferences.

First term of the Leadership School is set for August 1-6, and the second term August 8-12, sponsored by the Methodist Board of Education, Nashville, Tenn., under the direction of the Rev. M. Earl Cunningham.

He said at least 400 officers, teachers and other church school leaders will be enrolled for the leadership education courses, featuring workshops, classes and discussion groups, and a special laboratory school for workers with children.

Platform speakers at evening sessions will include the Board of Education's three executive secretaries—Dr. John Q. Schisler, Division of the Local Church; Dr. John O. Gross, Division of Educational Institutions; and Dr. Henry M. Bullock, editor of church school publications, all of Nashville—and the Rev. Harold M. Robinson, Thomasville; Dr. Thomas Morrow of Yorkshire, England, and Dr. Tracey K. Jones, Jr., of the Methodist Board of Missions staff in New York.

Church musicians and singers of more than 20 states are expected at the annual Music Institute, also scheduled for two terms, August 1-6 and 8-12. It will be directed by Cyrus Daniel, director of music at Vanderbilt University, Nashville.

The faculty will include Dr. John Milton Kelly, professor of sacred music at San Anselmo, Calif., Theological Seminary; Dr. J. Edward Moyer, professor of church music at Westminster, Md., Theological Seminary; the Rev. Walter Townner, staff member of the Methodist Board of Education, Nashville; and Miss Mary Malone, representative of New York music publishers.

A regional institute of superintendents and house-parents of Methodist children's homes will be held August 1-5, sponsored by the Methodist Board of Hospital and Homes, Chicago, and the Woman's Division of the Methodist Board of Missions, New York.

A weekend convention for church school superintendents and other Sunday School adult leaders will be held August 12-14. Directing the convention will be the Rev. Walter Townner, head of general church school work at the Methodist Board of Education, Nashville. He will be assisted by a faculty of 12 leaders in the field of Christian education.

A highlight of the summer season will be the fifth annual Candler Camp Meeting and Conference on Evangelism, August 14-21, sponsored by the Methodist Board of Evangelism, Nashville.

Song leaders will include Bishop Arthur J. Moore, Atlanta, Ga.; Dr. George A. Fallon, Cleveland, Ohio; the Rev. A. E. Acey, Danville, Va.; the Rev. Wayne A. Lamb, Memphis, Tenn.; William B. Thomas, song leader, of Charlotte, Dr. C. Lloyd Daugherty and the Rev. Thomas A. Caruth of the evangelism board, Nashville.

A Southwide School of Alcohol Studies and Christian Action, sponsored by the Methodist Board of Temperance, Washington, D. C., is scheduled August 15-19. Dr. Caradine Hooten, executive secretary of the board, will direct the school. The Rev. Brunner M. Hunt, Meridian, Miss., chairman of the South-eastern Jurisdictional Board of Temperance, will serve as dean.

Business managers, treasurers and other local church administrators in the Southeast will meet August 16-19 for their second annual Conference on Church Management. James G. White of First Methodist Church, Charlotte, is president of the organization, and the Rev. Webb B. Garrison, staff member of the Methodist Board of Education, Nashville, will direct the conference.

Closing out the summer series of Southwide meetings will be a

## Methodists Will Honor Retiring Executive 3rd

The Rev. John Q. Schisler, prominent Methodist official of Nashville, Tenn., will be honored at a testimonial dinner Wednesday at Lake Junaluska in view of his forthcoming retirement.

Dr. Schisler, executive secretary of the Methodist Board of Education's Division of the Local Church, will retire this fall after 35 years of administrative service at Nashville headquarters of the church.

Friends and co-workers from throughout the South have been invited to the dinner, it was announced by Dr. George E. Clary, Sr., program director at the southeastern Methodist Summer Assembly here.

Dr. Schisler will be here in connection with a Southwide Leadership School for Methodist workers, sponsored by his division.

A native of Arkansas, he was admitted to the Methodist ministry in 1912, and in 1920 he went to Nashville as a staff member of the church's old Sunday School Board.

## Visitor Dies Following Short Illness

Mrs. Edith Fletcher Churchwell, 62, of Jacksonville, Florida, who was spending a vacation at a Waynesville hotel, died Sunday afternoon in the Haywood County Hospital following a brief illness.

Mrs. Churchwell was the widow of John H. Churchwell, Sr. She had been an occasional summer visitor to Waynesville for a number of years.

The body was taken to Jacksonville for funeral services and burial.

Mrs. Churchwell is survived by a daughter, Mrs. L. R. Povelka of Jacksonville; a son, John H. Churchwell, Jr., also of Jacksonville; two sisters, Mrs. Thomas Nesbitt and Miss Annie Kate Fletcher; and one brother, Thomas E. Fletcher, all of Carlele, Georgia; and four grandchildren.

Garrett Funeral Home was in charge of arrangements here.

## Services Are Held For Mrs. Snead

Funeral services for Mrs. W. L. Snead, 72, will be held at 4 p.m. today in Grantville, Ga., conducted by Methodist, Bishop Arthur J. Moore of Atlanta.

Mrs. Snead, member of a widely-known Georgia family, was stricken by a heart attack Saturday morning at Lake Junaluska and died that night in an Asheville hospital.

She was a member of the Board of Trustees of the Lake Junaluska Methodist Assembly, and had attended a reception Friday night for the trustees in the eve of their annual meeting.

W. N. Banks of Grantville, also a member of the board, is a brother of the deceased. Another member of the board, Sam Banks of Lakeland, Fla., is a cousin.

## Retired Pastor, Lake Resident, Dies At Oteen

The Rev. Thaddeus L. McDonald, 75, retired Methodist minister and long-time summer resident at Lake Junaluska, died at noon Thursday at the Veterans Hospital at Oteen.

Rev. McDonald was a resident of Cullman, Ala., and a member of the North Alabama Methodist Conference.

Funeral services were held Sunday in Cullman with Bishop Clare Purcell of Birmingham in charge.

Family Life Conference, August 25-28. Dr. Edward D. Staples of the Methodist Board of Education, who directed the Methodist Church's national Family Life Conference last October in Cleveland, Ohio, will be in charge of the program. He said the conference is designed especially for parents, church school teachers and ministers.

## Lambuth Inn

(Continued from page 1)  
the center of a program dedicated to Christian education, fellowship and building of church leadership." He assured the trustees that the major emphasis will continue to be placed on the program, and said "It is our desire to strengthen it wherever possible."

Gate records show that attendance is running ahead of last summer, it was reported by the Rev. J. W. Fowler, Jr., assembly superintendent. More people are building summer cottages and permanent homes at the lake, and 50 new residential lots are being opened in a development on South Lakeshore Drive, he said in his annual report. Streets have been laid out, and sewer lines, water mains and fire hydrants already have been installed.

The trustees adopted a program of future improvements to include completion of interior improvements at Shackford Hall—a conference center—and replacement of the adjacent dormitory-type lodges and the Junaluska Cafeteria. These improvements will be included in the 1956-60 schedule of the Buildings and Grounds Committee, headed by Hugh Massey of Waynesville.

The 1956 summer program of conferences, schools and institutes is virtually complete, it was reported by Dr. Clark, chairman of the program committee, and Dr. George E. Clary, Sr., program director.

The Rev. Mr. Fowler, Dr. Clary and members of the assembly staff were highly complimented by the trustees for the appearance of the buildings and grounds, and the successful summer program.

## County Tours

(Continued from page 1)  
Thursday, August 18—White Oak at West Pigeon.  
Saturday, August 20—Allen's Creek at Fines Creek.  
Saturday, August 27—Saunook at South Clyde.

The CDP programs open at 9:30 a.m. with a tour of the host community until noon. After lunch, usually served at a nearby school or community house, a program of activities is presented—including community group singing, guessing games, bubble gum contest, horse-shoe pitching, and softball games.

THE REV. HAROLD M. ROBINSON, pastor of the Memorial Methodist Church of Thomasville, will be the platform speaker tonight at 8 o'clock in the main auditorium of the Lake Junaluska Assembly, "Changing Hearsay Into Experience" will be Dr. Robinson's subject as he concludes a series of three lectures. He spoke this morning and last night.

## United Fund

been organized at Brevard, Hendersonville and Asheville also have UF groups.

## Asheville Trio

(Continued from page 1)  
Clyde Huntsinger, who reported that the three men removed a cable blocking the road and drove the car on the closed portion of the Parkway.

The entire link of the Parkway in that area will not be opened to the public until paving has been completed—which is expected in the fall.

## Notices Of Excess Burley Acreage Mailed To 864

Notices of excess tobacco acreage have been mailed to 854 burley producers in Haywood County during the past two months, it was disclosed today by A. W. Ferguson, ASC county manager.

Of that number, 658 have already destroyed their excess tobacco under ASC supervision, Mr. Ferguson said.

Measurement of county tobacco acreage will be completed this week, the ASC supervisor pointed out. Only 43 farms — mostly in Waynesville and Pigeon townships remain to be checked.

Burley plots found to be in excess of allotments were in the following communities:  
Beaverdam, 124; Clyde, 69; Crabtree, 74; East Fork, 23; Fines Creek, 75; Iron Duff, 39; Ivy Hill, 86; Jonathan Creek, 118; Pigeon, 62; Waynesville, 141; White Oak, 21, and Panther Creek, 18.

## Home Agent Gives Rules For Ironing

By RUTH CURRENT  
State Home Demonstration Agen.  
HOW TO IRON RAYON AND ACETATE — Clothing research workers say to have fabrics at the best dampness for ironing. Moss acetate and rayon fabrics should be ironed when they are slightly damp. However, there are one or two exceptions to this rule:

(1) Dress weight spun rayons can sometimes be ironed when they are entirely dry.  
(2) Sharkskin and heavier satins of rayon and acetate iron best when they are noticeably damp. Sharkskin should be rolled in a towel after washing, then ironed immediately.

You'll have much better results if you iron rayons and acetates as soon as they have dried to the right degree of dampness, instead of waiting until they are entirely dry and then sprinkling. Sprinkling distributes moisture unevenly.  
IRON NATURALLY — The aim of ironing is to make the garment look as it did when new. So, don't

## DEATH

INFANT MARRIED  
The infant son of the Thomas J. Mason of Sunday in the county is survived by three Tommy, Roger and the home; the parents, Mr. and Mrs. J. T. Canton; and the maternal father, George Robinson. Graveside rites were held today at Bon-A-Venture. The Rev. J. G. officiated.

Wells Funeral Home was in charge of arrangements.

Daughter Mrs. Lundeberg collects antique and believe eggs, that is, of blown glass, ivory, what-have-you. Also line of sugar, salt shakers.

Tobin infected him giving him a sharing one in Tobin's through the Civil Lundberg has a share in Barber shop quarter.

United States exports bacco products come 1954, which were million dollars, were cent lower than those still were well above the preceding years.

DUDLEY, Mass. (AP) — The Walter H. Tobin family collects glass—father, mother, daughter and son-in-law. And they're real collectors: They won't even swap among themselves, says Mrs. Tobin. "We've got so many collections I keep my antiques down cellar," says Tobin.  
He especially fancies bottles, mostly flasks, but also rare glasses and steins, plus some 120 glass jaskets.  
His wife collects Tiffany glass and china. She gets baskets but won't share them with her husband for they're high on her collection  
pull or stretch the fabric and don't use heavy pressure. Do iron with the grain of the fabric.  
Use a clean, well-padded ironing board, with a taut cover and thick, firm padding.  
When possible iron on the wrong side of the fabric. Touch up collars, pockets, etc., on the right side, using a pressing cloth.

## Three Hurt

(Continued from page 1)

hitting another car bearing two Waynesville firemen on their way to answer an alarm at the Junaluska Supply Co. The latter vehicle, the patrolman said, cut across the path of the Sheffield car.

As Miss Sheffield stopped her car unexpectedly, it was struck from the rear by a 1954 Chevrolet driven by Floyd Davis of Waynesville. Damage to both cars was estimated at \$400.

Patrolman Wooten was assisted in the investigation by Cpl. Pritchard Smith.

Derl Rex Owen, 23, of Canton, was admitted to Haywood County Hospital at 3 a.m. Friday after he demolished his 1953 Ford on N. C. 110 just north of Murray Road in front of the T. E. Shook residence.

Patrolman V. E. Bryson reported that Owen lost control of his car on a curve, causing it to skid 150 feet on the highway, 222 feet in a ditch on the left side of the highway, and another 48 feet diagonally across the road. The vehicle tore out several small culverts in the ditch and then overturned.

The car was owned by Derl's father, Paul Owen, and was a total loss.

The patrol charged the youth with exceeding the safe speed limit and driving on the wrong side of the road.

The Canton-Bethel road was the scene of another wreck last week when Leo Edwards lost control of his 1949 Ford, which tore down a fence and struck a peach tree near the Osborne farm at 9:45 a.m. last Wednesday.

Damage to the car was estimated at \$350.  
Edwards was charged with driving on the wrong side of the road.

"The boys are planning a staff meeting, dear. Can I go?"

# This week Buick soars past the 600,000 mark!

## Biggest-selling Buick of all time permits us to make the biggest trade-in deals ever possible!

HERE it is, just past July, and what do you think has happened? Buick popularity has broken every past full-year record! That's the gospel truth. And Buick, of course, has had many great years before.

At the beginning of this week, Buick production passed 600,000 cars for the 1955 model year. That is over 155,000 more automobiles than the full model year of 1954—when we captured third place in total national sales. It is more than 11,000 higher than the full model year of 1950—when the automobile industry had its greatest year, and Buick established an all-time record that stood unchallenged until now.

It is almost a quarter of a million more automobiles than the full model year of 1941—which was the greatest pre-war record Buick ever reached. In other words, there has never been anything before like 1955 in Buick history—when today Buick is building over three cars every minute to meet the public demand.

Doesn't this tell you something important? Doesn't this soaring Buick success mean that you owe it to yourself to see and sample the car that's breaking every record in the Buick book? Doesn't it mean that you ought to try Buick's mighty V8 power—Buick's great room and comfort—Buick's cruiser-steady ride and roadability—Buick's superb visibility and precision handling ease? And doesn't it mean you certainly ought to try Buick's Variable Pitch Dynaflo\*—the world's only transmission with the switch-pitch principle of the modern plane's propeller—and the most spectacular performance advance of the year? Come in and see us—this week, at the latest—and learn for yourself why today's Buick is the biggest-selling Buick of all time—and how big a trade-in deal we can offer you with this tremendous volume to back us up.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra-cost on other Series.
