Old-Time Fruit Cake May Make Unusual Gift

A HARD-AND-EASY SAUCE—Hard enough texture to make it easy to cut out for holiday shapes.

OLD-FASHIONED FRUIT CAKE makes a quaint gift to fill friends with nostalgia.

By CECILY BROWNSTONE
Associated Press Food Editor

COUNTRY - STYLE FRUIT CAKE takes on new airs. It is still made with salt pork, molasses, fruits and spices, but its recipe has been brought up to date. Bake the batter in two loaf pans or in three coffee tins; serve one of the cakes at home, give the other loaf or rounds to friends with a leaning toward the past!

COUNTRY FRUIT CAKE

Ingredients: 1 cup boiling water, 1 cup finely chopped salt pork, 1 cup light or dark molasses, 1 cup sugar, 2 eggs (separated), 1 cup chopped seedless raisins, 1 cup chopped dates, 1/2 cup, chopped glace fruit, 4 cups sifted flour, 2 teaspoons baking soda, 1 teaspoon cloves, 2 teaspoons cinnamon, 1/4 teaspoon ginger, 1 1/2 teaspoons lemon extract.

Method: Pour boiling water over pork. Add molasses and sugar; beat well. Beat egg yolks until thick and lemon colored; stir into molasses mixture. Mix raisins, dates and glace fruit with 1/2 cup of the flour. Sift remaining 3 1/2

cups flour with baking soda, cloves, cinnamon and ginger; add to molasses mixture; mix thoroughly. Stir in fruit and lemon extract. Beat egg whites until stiff but not dry and fold in. Pour batter into 2 greased and floured loaf pans (each about 9 by 2 1/2 inches); or divide batter equally among 3 greased and floured 1-pound coffee cans. Bake in a slow (275 degrees) oven about 1 1/2 hours or until cake tester inserted in center comes out clean. Turn out cakes on rack to cool. Frost and decorate as desired.

Note: Make this cake ahead, if you like, when you want to serve it, reheat it in the top of a double boiler over boiling water. Accompany the slices with Holiday Hard Sauce.

HOLIDAY HARD SAUCE

Ingredients: 1/2 cup butter or margarine, 1 1/4 cups confectioners' sugar, 1 tablespoon light molasses, 1/2 teaspoon vanilla.

Method: Beat butter and sugar until fluffy. Beat in molasses and vanilla. Spread evenly in shallow pan and chill until firm. Use holiday cookie cutters to cut out shapes for topping fruit cake.

Rotarians Hear W. Millar Discuss 'Bill Of Rights'

Yuletide Concert Set At Bethel Monday Night

On Monday night, Dec. 12, the Bethel bands and choruses will present the annual Christmas concert at 7:30 in the new gymnasium. The senior band will begin the program with "The Nativity" and "Toys and Tinsel" overtures. The senior band will then be joined by the junior band to furnish the background music for the choruses, made up of 250 voices.

Mrs. Dellma Phoenix will sing "O Holy Night," accompanied by Dr. Robert Matthews at the piano.

Christy Bramlette will present an oral narration "Christopher the Christmas tree," accompanied by the band and chorus.

The admission is 25 and 50 cents with the proceeds to go to the gymnasium fund.

Dr. Robert Matthews, band director, will be in charge of the program.

Woman's Club Needs Toys For Community Tree

The annual Community Christmas Tree, sponsored by the Waynesville Woman's Club, will be held Friday, December 23, at 3 p.m.

The club is asking for donations of used or new toys to be distributed to children at that time. The toys may be left with Mrs. C. F. Kirkpatrick at the Le Faine or donors may call Mrs. Kirkpatrick and make arrangements for having the gifts picked up.

"Our liberty is not a permanent possession, William Millar, Waynesville attorney, told Rotarians here Friday as he discussed the Bill of Rights, in keeping with the anniversary of the important document of the nation which will be observed the 15th.

Millar discussed the application and importance of study of the Bill of Rights during "this period of abnormal times," when there are so many conflicts; hope vs fear; belief vs doubt. "We need to constantly reflect and make a reappraisal of this document which was set up to preserve our liberty," he pointed out.

"It might seem strange that we discuss a document adopted over 250 years ago, but Freedom is not a birthright that we can afford to take for granted," he pointed out.

Millar said that the great threat lies in the "emotional influence of the times, and the latent suspicion and prejudice is inherent; while control lives in self-discipline; community spirit, and governmental action."

The speaker pointed out some of the historical highlights of the Bill of Rights, which was first adopted on December 15, 1791, although three states did not formally adopt the Bill of Rights until 1939.

"Containing only 462 words, the Bill of Rights should be read, and studied ever so often by every American," he continued, as he cited the 10 basic parts.

The speaker pointed out that erosion is now at work and that a daily battle is being staged to prevent further eroding. He termed "erosion" as being such things as wiretapping, jury eavesdropping, and the national "deep freeze" gift for "favors" incidents.

M. H. Bowles was program chairman.
