**Jumper Sheath**

By VERA WINSTON

THE sheath goes its own sleek way this new season appearing as the favored shape for every type of clothes. This black wool jumper sheath is ever so smart with its casual air and its figure-hugging lines. The flat, horse-shoe neckline is novel and the jumper is seamed to give the midriff plenty of slim shape. The blouse shown with it is a bulky knit in stripes of black, white and gray.
