

Canton High Campus Cuffnotes

By Patty Morgan

About 200 young people attended a prayer meeting at Central Methodist Church last Sunday night. Several local ministers were present, and they all agreed that this youth movement is the best thing that has happened in Canton. An improvement in the conduct and spirit at CHS can certainly be detected. All this has resulted from the desire of a group of students to make CHS a better school and Canton a better town.

CHS was brought to an end last week with a collection of approximately \$250.

Here is a saying that is very true today in our every day living.

"It is better to be unborn than untaught; for ignorance is the root of misfortune."

Newspaperman To Lecture At WCC

Herbert Philbrick, staff member of the New York Herald-Tribune and nationally known author, will lecture at Western Carolina College on Monday, February 6, at 8:15 p.m. His appearance is the second of the winter quarter lyceum series, announced by Mrs. Lillian B. Buchanan, librarian and chairman of the lyceum committee.

For many years Philbrick was known as an ordinary citizen, employed in the advertising field, father of five children, and active in church and civic work. Upon learning that one group of which he was a member was being subverted by Communists, he reported to the FBI and was advised to stay with the group and report developments.

Mrs. Buchanan said that tickets for this lecture may be obtained at the box office; however, no seats will be reserved.

Well, the Black Bears had a fair week with one loss to Bethel and one victory over Asheville School. The Bethel game was certainly a thriller with our losing by a close margin of three little "measly" points. We had our revenge when Asheville School was "laid under" by a large score. The girls lost to the Bethel girls, but not without a hard struggle. Our soccer team played a tie with Bethel. The Black Bears will be ready to spring on their "prey" when they meet Reynolds and Enka face to face. Attendance has been very good at all our home games, and we have had a very enthusiastic cheering section.

Plans for the Valentine party, which is to be February 17, are in "high gear" and moving along. The clubs have all chosen candidates for the Queen of Hearts contest. The contest is sponsored by the paper staff and the dance is being given by our PTA. We are all looking forward to the dance and all its fun.

Appetite For Fresh Fish Lands Man In The Cooler

Leon Robinson of Knoxville is a man who thinks that anytime is the right time for a fish fry. And no woman had better stand in his way!

Those facts concerning the character of Robinson, colored, came to light in Knoxville Criminal Court when he was sentenced to spend the next six months in county jail on an attempted arson conviction.

Testimony at the trial showed these to be the series of events which resulted in the loss of free-

dom: One warm day last June Robinson and a fishing companion decided to try their luck. First, though, they brought their girl friends to Robinson's apartment to wait for their return and cook the fish.

Old lady luck just didn't smile at the two men that day, and it was late at night when they finally returned with their catch. They found the girls in bed asleep at Robinson's apartment. No amount of persuasion seemed

to do any good, so Robinson had an idea. He started a fire under the bed. That brought the girls out of bed quick enough.

It also brought Robinson the six months sentence because his landlord took a dim view of having holes burned in his floors.

Since 1913 the average hourly earnings of factory employees have increased by 746 per cent, says the National Assn. of Manufacturers.
