Clyde, became the bride of James C. Caldwell, Jr. of Waynesville, son of the late Mr. and Mrs. J. C. Caldwell, Friday, February 17 at 7:30 p.m. in the home of the Rev. and Mrs. G. W. Jamison in Canton. Relatives and close friends were

The double ring ceremony was performed by Mr. Jamison, pastor of the Woodland Baptist Church. The bride wore a navy and white print dress with navy and white accessories. She carried a white Bible

topped with a white orchid.

The bride's parents entertained with a reception immediately following the ceremony. Assisting in serving were Mrs. Grover Davis of Clyde, Miss Betty Arrington of Waynesville, and Mrs. Jamison, Mrs. Caldwell was graduated

from Clyde High School, and is presently employed by the Dayton Rubber Company in Hazelwood. Mr. Caldwell was graduated from Crabtree High School, and has served four years in the U.S. Navy. The couple will make their home in Clyde,

#### Dough Packed In Cans Makes **Round Cookies**

By RUTH CURRENT State Home Demonstration Agent

POINTERS - Expert cookie makers say it's easy to have nice round cookies if you pack the dough into a small, well-greased soup or juice can. Seal the top with foil (keep it snug with a little freezer tape so no unwanted moisture can creep in) and store in the refrigerator or freezer. When it's time to bake, cut out the bottom of the can, push out dough and slice into round cookies.

Expert furniture specialists say furniture reveals a lot about youyour taste, your preference in design, the type of person you are. Furniture also tells in no uncertain terms of the care it has received - constant, thoughtless or infrequent.

Waxing furniture is an efficient and labor-saving way to beautify, protect and preserve furniture. Wax enhances the beauty of the finish. It guards against wear, moisture, stains, scratches, rings and spots. Waxed surfaces are more sanitary because they are hard and dry. Read over directions on the wax bottle or can before you apply wax to furniture.
