

Four From County On Dean's List At Mars Hill

Four students from Haywood County are on the academic dean's honor list at Mars Hill College for the winter semester which ended recently.

They are Miss Eileen Gerring, daughter of Mr. and Mrs. Richard Gerring of Hazelwood; Miss Janet Gall Francis, daughter of Mr. and Mrs. Paul S. Francis of Route 2, Clyde; Donald Lewis Shaw, son of Dr. and Mrs. Luther Shaw of Waynesville, and Richard Edward Green, son of Mr. and Mrs. Clyde Green of Route 1, Waynesville.

Miss Gerring and Shaw made straight "A" records to accumulate

Senator Medford Heard By Sylva Rotarians

Senator William Medford addressed the Sylva Rotary Club Tuesday night. As a member of the special education commission studying segregation, Mr. Medford gave a background of the Supreme Court's May 1954 decision, and the study being made by North Carolina.

The committee has not made public their recommendations, as there are some points which are still to be given additional study, he pointed out.

48 and 54 quality points respectively. Miss Gerring was recently elected by her classmates as the most studious coed in the class.

Clyde High

Cardinal Tips

By LINDA SMATHERS

Clyde High School has certainly been buzzing with activity for the last few months.

The following All-Tournament basketball honors were won by Clyde School members: first team, Betty Owenby and Bob McCracken; second team, Danny Caldwell; free throw title, Mike Rogers; and queen, Patsy Mason.

The junior class has selected a round-up theme for the Junior-Senior Banquet to be given in May, and the menu has been carefully planned. They feel a little bit nearer their senior year since the contract has already been let for

their calling cards.

The band, under the direction of Miss Mary Osborne, gave its first public performance last week at the Parent-Teachers Association meeting. We, who have been hearing the band practice, can certainly commend them for their progress. Miss Osborne has certainly done a wonderful job of directing the musicians since the band was only organized at the beginning of the school year.

Last Thursday the Junior and Senior 4-H Club presented "Meet Your Teachers," a skit to raise money for their treasury. In this skit, several teachers were chosen and humorously impersonated as to their habits, speech, walk, etc. A total of \$21.70 was made from this presentation. Edna Mae Fugate, Stanley Medford, and Miss Jean Glenn, our sponsor, worked out the plans for this.

The senior class has been busy lately trying out for their desired parts in "Mama's Baby Boy," the senior play. Mrs. Stamey came last Monday morning to hear the try-outs and to select the characters.

The following characters were chosen: Mrs. McLean, Linda Smathers; Shephard McLean, Charles Donahoe; Luther Long, Mildred Russell; Mrs. Matilda Blackburn, Virginia Brown; Wilbur Warren, Rayford Jenkins; Sylvia Kline, Frances Hall; Mrs. Carotta Anglin, Nelda Cashion; Cynthia Anglin, Joyce Scott; Max Moore, Larry Hardin; Minnie, Kathleen Medford. Mrs. C. E. Brown, senior sponsor, will direct the play. A definite date for the play hasn't been set yet, but the class is hoping to be able to give it by the first of April.

The seniors' caps and gowns will soon be ordered since the measurements have already been taken. The class is elated over fittings for caps and gowns and the completion of the study of Macbeth.

The senior supper was a big success. Five hundred and seven people were served and a total of \$420 was made. This supper was the most successful one that any senior class at Clyde has ever given. This money will go toward their trip to Florida.

Plans for a recitation-declama-tion contest, sponsored by the Clyde Woman's Club, are being completed. Mrs. Stamey presented the suggestion that selections from the Bible were very fine examples of recitations to be given. Several students from high school and the grammar grades are busy memorizing their selections.

Mr. Roper's agriculture boys are busy selling candy in hopes of winning a watch which is to be given the boy who sells the greatest amount. The money made from this contest will go for the completion of the remodeling on the old gymnasium which is being converted into a shop for the agriculture department.

Biology class members have just received their long awaited items—frogs, for dissection. They are approaching this process with feelings of fear and dread.
