Scorpion Showers

TEMPE, Ariz. (AP)—The farmers weren't the only ones who were happy to see it rain this winter. The showers were welcomed by Dr. Herbert L. Stahnke, who produces anti-scorpion serum in his laboratory at Arizona State College here.

Dr. Stahnke said that when it rains the scorpions come out of the ground, and it's easier to catch them and extract their venom.

Rare Rubber Check

WACO, Tex. (AP)—After 21 years as county clerk and three years before that as deputy clerk, Floyd Mitchell received his first hot check in payment of a marriage license fee.

The bank returned the \$2.50 check marked "Can't locate this account." Mitchell telephoned the address given on the check and nobody answered.

When You Should Stop— ADVERTISING

- WHEN** man becomes a creature of habit so thoroughly he will certainly buy this year where he bought last year.
- WHEN** younger, fresher and spunkier concerns in your line cease starting up and taking "your customers" away through advertising . . .
- WHEN** population ceases to increase and no new folks want to live and work in your town . . .
- WHEN** you have thoroughly convinced everyone who ever has or ever will be in your store that they will now and forever get better buys from you . . .
- WHEN** business principles reverse themselves and the non-advertiser does more business than the successful advertising merchant . . .
- WHEN** men stop making tremendous strides in business through well-planned newspaper advertising . . .
- WHEN** you can forget the words of wise merchants the world over who attribute their success to the wise use of newspaper advertising . . .
- WHEN** you would rather have your own way even if you fail, than to follow sound advice and perhaps win success . . .
- WHEN** you want to be rid of all troubles of waiting on customers and are tired of making money!

The Younger Set
News Of WTHS

Barbara Griffith and Dorothy Grasty

We are certainly proud of Agnes Roberson, a sophomore at WTHS who portrayed the best sportsmanship in the county. Agnes also was selected for the first all-tournament. The other girls selected for the second all-tournament were Myrtle Fitzgerald, Barbara Howell, and Barbara Ratcliffe. From the boys team we have Donald Jordan on the first all-tournament and Bobby Balance, Tony Davis, Carroll Hooper, and Tom Sparks on the second all-tournament.

The student body at WTHS was honored Tuesday in chapel with a speaker, Horace Statler, who gave an interesting talk about State College and the importance of continuing our education after high school. I am sure everyone enjoyed this inspirational message. Along with the talk Miss Betty Rowland did a fine job entertaining everyone by singing several songs.

Friday morning special attention was given to the freshman basketball players. These boys, representing WTHS, won the trophy as basketball champions of the county. They did a fine job and we are very proud of them.

We are sure all of WTHS students will join us and wish the band, orchestra, and individual soloists the "very best of luck" tomorrow. These people will go to Cullowhee to participate in the music festival contest which is held each year. The chorus will go to Cullowhee on Saturday and we are sure everyone representing the WTHS music department will do

the usual splendid job.

Our school was lucky in having three members of the senior class selected to represent us in the Champion Paper and Fibre Company merit scholarship award. These students were: Barbara Owenby, Sonja Snyder, and Johnny Killian. The best of luck to each of you.

While we are honoring the other seniors for their fine work, we do not want to miss the two boys who won a grant-in-aid scholarship or a football scholarship to the University of North Carolina. These important scholarships went to Harold Clark and J. W. Stephens and they certainly did deserve it. These boys did a fine job on our football team this year.

The paper staff of WTHS is doing it again. Another edition rolled off the press today and is on sale. All of you people at WTHS be sure to buy one because it is really a good one. Those juniors have worked very hard on the paper this year so let's all support and help them out and buy a paper.

Well, Thursday night a group from the Waynesville High School Key Club will leave for Greensboro to attend the Key Club International Convention. The Kiwanis Club is paying for the transportation and we are sure that each boy will have a wonderful time. The boys who will attend are: Joe, Russell, Bruce Davis, David Hardwick, Gerhard Liebscher, and Ned Tucker. The group will return Sunday.
