The antarctic continent is larger than the United States and Europe combined.

The loss of a loved one brings agonizing sorrow, yet out love would not be true and genuine if we tried to shut out all such thoughts. As Christians we believe that love is eternal. We believe also in the joyful reunion which is to come. The years slip by fast and melt into eternity and death is only a temporary veil.
Devotion is renewed and revitalized by the erection of an appropriate monument. Stone Eternal monuments of beautiful everlasting granite are reasonably priced and may be bought in many sizes and patterns and may be individualized with appropriate symbolism.
We will be glad to bring to your home granite samples in several different colors with large photographs of our work and dozens of designs. Just phone us or come by and walk through our display yards. No obligation.
