News of WTHS

—by—
Barbara Griffith and Dorothy Grasty

It looks like the main event this week at WTHS was the Junior-Senior Prom, which was a grand success. The prom was held last Friday night in the high school cafeteria. A large crowd attended, and there was plenty of fun and entertainment for everyone. The cafeteria was looking its best and was decorated in night-club style. It really looked nice and the entertainment was the best possible.

Just what do you think the big surprise and celebrity was? Who else but some members of the Key Club who imitated some great performers, such as the McGuire Sisters and Tennessee Ernie Ford. The acting was fine, but the original records helped a lot. The music was furnished by the Rhythm Cats from Cullowhee. The girls looked mighty pretty in those new evening dresses, and the boys did some shining also. It was one of the best dances the school has ever had and everyone had a wonderful time.

The Key Club has elected new officers for next year. The leaders who will carry on the good work are: president, Ralph Prevost, Jr.; vice president, Jimmy Fowler; secretary, Gerhard Liebscher; treasurer, David Hardwick.

We want to congratulate Joe Jack McEvoy, a senior at WTHS, for his fine work in winning the George Foster Hankins scholarship at Wake Forest College. Joe Jack is an active student at WTHS and plans to enter Wake Forest next year.

Tuesday the WTHS student body was entertained by the Lee Edwards High School Band. This concert was certainly enjoyed by everyone. As a conclusion to the program, the band played several jazz pieces and a special drum solo.

The seniors were very disappointed to hear that Mrs. Weller can no longer be the director of the senior play because of illness, but we certainly appreciate her hard work and cooperation. We were fortunate to get Mrs. Fred Campbell and Jimmy Hamilton, who will carry on and be the directors of the play.

Last Tuesday some members of Miss Moseley's eighth grade class presented a one-act play called "Tell It To Tommy." The actors were: Dewight Green, Phillip Chase, Bob Evans, Tommy Walker, Ricky McCarroll, and Jane Ray assisting. This was just one of the many good plays Miss Maseley's class has presented.

Junior High students were also entertained last week by the 55-piece junior band. The band members gave a concert and played several of the selections they played at Cullowhee at the contest where they got a 2 rating.

Monday the WTHS student body had an excellent movie on the theme of Easter, called "The Living Bible." We also had some members of the U. S. National Park Service who showed some slides and told us the importance

St. John's Will Have Good Friday Program At 5:45

(Contributed)

On this day of our Lord's suffering and death on the cross the Church has never celebrated Mass, the sacramental reenactment of His death. Instead, she invites us to take part with her in the Solemn Liturgical Afternoon Service of the Passion and Death of the Lord at 5:45.

The first of these ceremonies is the Readings. We hear God's Word telling us about the Passion and Death of Christ, first in two prophetic passages from the Old Testament, and then in the Gospel of St. John. And we respond to God's message by chants and prayers. The purpose of this ceremony is easy to see, God Himself, by His word, is forming our minds and imaginations and hearts to the image of His Son dying on the Cross. The Church trains us by her chants and prayers to give the right response to God's Word of love and mercy, the response to sorrow for sin, of gratitude, of love and desire to do God's Will.

The second ceremony is the Solemn Prayers that the effects of Christ's Passion may flow out to the whole world. The third ceremony is the Adoration of the Cross. The fourth ceremony on Good Friday is the Communion Service. General Communion of the faithful on this day was the custom in earlier ages of the Church, and is now restored once more. The Blessed Sacrament is carried in procession from the Repository. Then, led by the priest, we all together, pray the Our Father in Latin.

We are asked to join in praying the Lord's Prayer aloud because this is the oldest and most perfect prayer of preparation for Communion. Not only do we ask the Father for our daily Bread, but we express the spirit of forgiveness of one another's faults and failings and sins against us. This is the spirit in which we should receive the Sacrament which is to unite us to one another in Christ. Most especially on this day of His Death, when Our Lord gave us the example of asking His Father to forgive those who were crucifying Him, should we ask for His spirit

of forgiveness and forbearing, before we receive Him in Holy Communion. This restored Good Friday Communion gives us a special opportunity to unite ourselves sacramentally to Our Lord in the mystery of His Death. As the Holy Father tells us in his Encyclical on the Sacred Liturgy, it is our privilege, as baptised of Christ not only to join in offering, but to be offered in His Sacrifice. Let us ask Our Lord on Good Friday to remake us, to give us the grace to die more and more fully to our sinfulness and selfishness by the power of His life-giving death. Thus we will be more and more fit to be included in His perfect Offering. In terms of daily living, this means that we are to find our true life less and less in doing what leads merely to our own pleasure success, and self esteem; and more and more in what leads to the carrying out of God's plan—the loving service of one another for Christ. This particular grace of "dying" is the special fruit of Communion today.
