FESTIVE WAYS WITH MEAT

Entertaining should be as much fun for the hostess as it is for the guests. Of course, giving parties "at ease" depends on many things, but most of all it means using menus and preparing foods you can count on to be successful. Decide on a menu and do all possible work be-

forehand. One of the things which keeps menus interesting is to serve a variety of meats; and dressing up meats with golden pineapple is sure to give a lift to your menus. Meat loaf is a year-round favorite and provides the most endless variety of flavor combinations. Special seasonings, toppings and different meat combinations will serve to make a new creation of every meat loaf.

Stuffed Ham Loaf

- 3/4 lb. ground ham
1/2 lb. ground beef
1/3 cup dry bread crumbs
1/2 cup milk
1 egg
1/2 tsp. salt
2 tbsps. brown sugar
Dash allspice, cinnamon
1 1/2 cup drained pineapple tidbits
1 cup mashed sweet potatoes
Mix ham, beef, crumbs, milk, egg and salt. Spread on waxed paper in oblong pan about 6 x 10 inches. Stir brown sugar, spices and 3/4 cup of the pineapple into sweet potatoes. Spread over meat and roll carefully like a jelly roll. Lift by waxed paper into shallow pan. Bake in moderate oven 350° F. for 1 hour and 15 minutes. Decorate loaf with remaining 1/2 cup pineapple. Sprinkle fruit lightly with brown sugar and run under broiler a few minutes to glaze. (Makes 5 to 6 servings.)

Ham Pineapple Skillet

- 1/2 lb. ground ham
1/2 lb. ground beef
1/2 tsp. salt
1 egg
2 tbsps. fine bread crumbs
Oil or shortening
4 slices canned pineapple
4 sweet potatoes
Cinnamon
1/4 cup brown sugar, packed
1/2 cup syrup from pineapple
Combine ham, beef, salt, egg and crumbs. Mix and form into four patties. Brown in a little hot fat in skillet. Place pineapple slice on each ham patty. Pare and halve sweet potatoes, arrange between patties. Sprinkle with cinnamon and brown sugar. Pour pineapple syrup over all. Cover and cook over low heat for 25 minutes. Uncover and spoon pan liquid over fruit and potatoes last few minutes to give a beautiful glaze. (Makes 4 generous servings.)

Wife Preservers

There is no one perfect food, says an expert. There are "protective foods" which include dairy products, fruit and vegetables, protein foods such as eggs, meat, poultry, fish and grain products. Use these in menus and don't be misled by food faddists.
