Saunook Florida Colony Arriving For Deepest Snow

By MRS. JULIA McCLURE

It seems as if those of us who thought summer was almost here are in for a surprise, as we are now having what looks like the deepest snow we have had during the year.

We hope our friends who have recently come from Florida won't be too much disappointed in this weather, as several families have homes where it is very difficult to get off the mountain, in snow.

The Saunook CDP met Monday evening at the Saunook school. Everyone certainly did enjoy the beautiful pictures made by Mr. and Mrs. Boyd Evans during their recent trip to Florida and the Bahama Islands.
