7:00—Youth meetings.

The United States government participates in 60 international organizations.

The earth's rotation slows down very slightly over any long period of years.

Works Up To Pay Cut

SEATTLE (AP)—James E. Flaherty's first job with the Seattle transit system was a street-car motorman many years ago. He is wondering about the reward of

working up in the organization. He got \$22 a week as a motorman. As the new chairman of the Seattle Transit Commission, the community weekly publisher serves without salary.

Salty Trouble

LEXINGTON, Ky. (AP)—Police were puzzled when residents protested about an icy street on the city's outskirts. Workmen on a

truck had spread salt on the street. Investigating officers found that six youngsters with sleds followed the truck, sweeping up the salt.
