## Changed Stories

DALLAS, Tex. (AP) — Over a sociable beer a customer asked bartender Virgin M. Washam if the place ever had been robbed. "Nope," Washam said. "Well, this is it," said the customer, flashing a snub-nosed revolver.

After taking \$176 from the bartender, he strolled out past four other patrons and fled in a car.

## Working - Girl Cook's Quick Trick

CHICKEN HASH made with instant cream and frozen potato patties.

By CECILY BROWNSTONE  
Associated Press Food Editor

HEAVEN MAY PROTECT the working girl — but heaven doesn't provide recipes. Our career-lady friends are always asking us to suggest dishes that are speedy to prepare.

For lunch recently we served an easy new main dish—Creamy Chicken Hash. It could be used for supper. Diced cooked chicken and frozen potato patties are the main ingredients. Over them goes a sauce made with the comparatively new product, instant cream—so convenient because it can be kept on a pantry shelf. The dish can be baked to a bubbling brown while you set the table and make a salad. Hot crusty garlic bread is also a good accompaniment to the chicken casserole.

Once you try handy instant cream in this sauce, you'll probably want to use it in sauces for other dishes because it adds richness. During the warm weather, you can use instant cream in homemade icecream sodas and in chilled soups to good effect.

Want your biscuits and pastry to have a beautiful golden glaze? Mix a tablespoon of the instant cream with a tablespoon of hot water; brush the mixture over the biscuits or pastry before baking.

If there are tea-drinkers in your household we can strongly recommend instant cream for use in a

good hot strong cup of that comforting beverage.

The quick-frozen potato patties called for in our Creamy Chicken Hash recipe come four to a 12-ounce package. They are made of shredded raw potatoes seasoned with salt and onion, and are rectangular in shape. They should not be thawed before using in the chicken hash casserole.

### CREAMY CHICKEN HASH

Ingredients: ½ cup instant cream, 4 tablespoons flour, 1½ cups seasoned chicken broth (cold or warm), 1 package (12 ounces) quick-frozen potato patties, 2 cups diced cooked chicken (bite-size pieces), grated Parmesan or Romano cheese, paprika.

Method: Stir instant cream and flour together thoroughly in a saucepan. Gradually stir in the chicken broth with a whisk or a fork so mixture is smooth. Cook and stir constantly over moderate heat until boiling and thickened. Place frozen potato patties in bottom of shallow casserole; a deep heat-resistant glass pie plate (9½ by 1½ inches) is perfect to use. Arrange chicken over patties. Pour sauce over chicken. Sprinkle generously with grated cheese; sprinkle with paprika. Bake in moderate (375 degrees) oven until top is browned and sauce is bubbly—about 25 minutes. Poke a fork under chicken and sauce and try potatoes to make sure they are cooked. Makes 4 servings.

## President Barred

GEARY, Okla. (AP) — Members of the Geary Business Club waited in vain for their president

Glenn Moore to show up. The vice-president took over and conducted the meeting. As the members unlocked the front to leave, they found their president outside. He said he had been pounding on the door trying to get in but the meeting was in the back room and no one heard him.
