News Of WTHS

—by—
Barbara Griffith and Dorothy Grasty

Didn't everyone enjoy the band concert last week? There was really a large crowd of people who really got their money's worth 100%. To start the evening off with a "bang" the whole band paraded

right straight down the auditorium aisles, horns and all, with the most "outrageous" costumes ever seen. The whole auditorium was full of laughter. After that the band struck up with that "good ole music" everyone loves. There was every type of music from jazz to bebop and everyone was either patting his feet or clapping his hands. I don't think there was anyone who didn't enjoy the evening especially with those Lions Club members selling popcorn and giving those most unusual prizes. Three members of the band won \$15 prizes for their costumes to be used while on their trip to Florida. These people were: Joan Prevost, David Parker, and Charles Rogers. As everyone left the auditorium you could hear them saying "let's have some more concerts like that one."

Tuesday in chapel we were honored to have the Brevard Band entertain us. They gave a very good concert and I am sure everyone is looking forward to having them back next year.

Those Seniors have really been excited this week and they have a good reason to be. Those good old cards and invitations have finally arrived and all over the campus are seniors exchanging cards. Do you know what this means? Graduation is almost here!

Several weeks ago WTHS Commercial Department had Miss Mary Ruwart from Navy Department visit our school to give civil service shorthand, typing and clerical test. This week the results of those tests were mailed to Mrs. Hugh Sloan, commercial instructor at WTHS. Those who passed the test were: Barbara Owenby, Sonja Snyder, Frances Williams, Nancy Grieg, Barbara Griffith, Louise Greer, Patsy Holder, Barbara Ketner, Marie Barrett and Joan Sheffield. Several of these girls plan to go to Washington next year. Congratulations to all these girls!

We do not want to overlook our baseball team this year because they have really been doing a fine job and have come up with many victories for us. The squad includes: Tony Davis, Charles Rogers, Bobby Green, Kenny Gibson, Bobby Trull, Jim Ruff, Paul Burgess, Johnny Carswell, Stuart Scruggs, George Mitchell, Don Ezell, James Carver, Jack Holder, Ralph Arrington, Jack Atkins, Carlton Burrell, Johnny Wright, Bobby Hill, Sam Lane, David Beck and David Hannah, manager. This year's co-captains are Mike Byrd and Bobby Balance. Bruce Jaynes is the coach. These boys have done a fine job thus far in the season and we are sure they will continue to carry on the good work.

We are sorry that two members of the WTHS faculty have had to be absent. Miss Alma Jackson Williams, who did such a wonderful job helping us with our senior play is sick and we would like to express our appreciation to her for her help and let her know how sorry we are to hear of her illness. Also Miss Margaret Terrell has been absent due to the illness of her father and we want to also express to her our sympathy and hope that he gets well soon. Both of these teachers are missed a lot and we hope they will hurry back to school.

Every year about this time the hard work begins on the senior banquet. A committee has been formed and the work begun. The banquet will be held May 26 at the Mount Valley Inn. Wednesday the junior representatives were chosen
