### Cleanup

(Continued from Page 1)

resentatives of the Chamber of Canton prizes go to holders of Commerce—J. C. Jennings, Roger numbers 71085; 577595; 954172; Ammons, and Charles Way. Ammons, and Charles Way. Mrs. Riegg said that local clubs

and organizations will be approached this week and next to urge sponsorship of a specific project in the cleanup campaign. She added that Waynesville and Hazelwood will be divided into zones and participating organiza-tions will be asked to be responsible for a certain zone.

Tuesday morning the Waynesville Council of Garden Clubs voted to adopt a permanent beautification program suggested by the Chamber of Commerce, calling for the creation of a beautification commission for Waynesville and Hazelwood, and a planning com-mission for Haywood County. At that meeting, Richard Brad-ley, president of the Chamber of

Commerce, pointed out that a permanent beautification program is necessary because of the fact (1) that the Waynesville area is a popular summer resort and attracts many out-of-state visitors, because (2) a clean town is an important point in attracting new industry, and "most of all" (3) cleanliness makes living more enjoy-able for the town's own residents.

tives from the CDP, Chamber of

Commerce, Home Demonstration Clubs, banks, civic organizations, and parents of 4-H'ers. The program planned for the vis-

itors will include a tour of out-standing Haywood County farms, industries, Lake Logan, the Wagon Road-Beech Gay section of the Blue Ridge Parkway, the Oconaluftee Indian Village at Cherokee, and the Biltmore House.

It is expected that the Colorado group will have 40 persons in itncluding adult leaders.

In spite of Monday's rains, 563 cars went through the Waynesville lane and 437 through Canton's. Tuesday the number increased to 650 and 615, respectively, at the Waynesville and Hazelwood lanes and 505 at Canton. On Wednesday 679 cars were inspected in Way-

nesville and 659 in Canton. Chief Noland commented that about one car in five was refused its safety sticker, usually for minor defects such as lights. He praised the cooperation of the owners of such cars, most of whom promptly remedied the difficulty and returned to receive their stick-

Lanes will remain open at Saturday, and in Hazelwood on who presided at the meeting. Thursday. The Waynesville and Hazelwood lanes will be open from Mr. Bradley wrote: 8 a.m. to 6 p.m. and the Canton 8 a.m. to 6 p.m. and the Canton lane from 7 a.m. to 6 p.m. The Waynesville lane is located on hospital hill: the Hazelwood lane near Five Points; and the Canton lane

at the west entrance to the town.

The lanes are staffed by law officers, mechanics and high school

perts in swimming pool construc-

tion that a pool can be completed by early July, and that is the present thinking of those backing the program, to get construction start-

ed at once."

Ned Tucker, executive vice president of the organization, said contacts had been made with the State Recreation Commission for suggestions as to the lay-out of the property as to buildings and pool. A representative is expected here immediately to help with the plans.

Representatives of the Chamber of Commerce in presenting their ideas to businessmen here Wednesday, following their meeting Tuesday night, found a ready response to the idea, with almost each one volunteering to make liberal contributions. Jonathan H. Woody, one of the

many advocating a recreation center here, helped close the deal this morning. The executive commit tee is composed of Bradley, Tuck-er, C. G. Thompson, and Harvey M. Dulin.

The property was acquired, with all equipment, for \$18,000.

"This is below market price for such land," Woody said, "and it was because the Horse Show Association wanted to see the property converted into a recreation center that we were able to get it at such a bargain."

League said this morning, "We are extremely happy that the property has been acquired for recreation. The 15-member board of the Haywood Horse Show Association, Inc., pledge themselves as ready and willing to assist in any manner in staging horse shows on the property at any time. We are confident that horse shows are still one of the major attrac-Speakers will be Jerry Rogers, help keep the program going which was started several years ago, and drew thousands for the 3-day shows,
