Grade 10—Raymond Hall, Ruby Lee Shipman, Carroll Henson, Kenneth Warren, Aurelia Morgan, Mary Jane Teague, James Duncan, Bruce Singleton, J. L. Parham, Bobby

Electronic Lemon Sorter

SAN JOSE, Calif. (AP) — Lemons are contrary things. A green fruit, or a yellow one, or shades in between, may be ripe, but housewives just don't buy green lemons.

The industry has had the expense of sorting the fruit by hand, sending the green ones to storage for color correction. Now it has an electronic eye that sorts the fruit into four color grades. It does the work of 20 or more girls. Each lemon goes to one of four groups. Uniform yellows go to market. The others go to storage where they slowly change color to yellow. The grading is the key as to how long the fruit is in storage.

Phillips, Jannette Chambers, Ellen Cathey, Lillie Mae Warren, Rhoda Metcalf and Velma Inman.

Grade 11—Edith Pressley, Louise Cooke, Judy Blazer, Janet Foster, Barbara Henson, Carroll Russell, Wilda Grogan, Dorothy Mason, Jannette Sheffield and Harold Shipman.

Grade 12—Vincent Hall, Eugene Messer, Lewie Trull, Thelma Coghburn, Nancy Davis, Annette Lowe, Barbara Messer, Charles Cathey, Neal Kelly, Lawrence Massie, James Mease, Max Shepherd, Howard Metcalf, Hubert Pressley, Tommy Pressley, Martha Pressley, Margaret Sherrill, Judy Wells, and Ava Jean Henson.

Where's The Fire?

BIG LAKE, Minn. (AP)—The volunteer fire crew never dreamed

there were so many things in Big Lake that could burn. They got their first alarm at 2 p.m. and kept spraying water

steadily until midnight. Their assignments included a grass fire, a burning cottage, another grass fire, one at a brooder

house and barn, a flaming car and a third grass fire. Then the car broke out in flames again and had to be doused for good.
