T. W. (Tub) Palmer, pioneer Miami and Fort Lauderdale, Fla., real estate broker and former amateur golf star, died at his home in Fort Lauderdale Tuesday after an illness of several months.

For the past 20 years he had spent his summers here and owned a motor court here at the time of his death.

Last year he had built a new summer home.

Palmer was one of the original developers of Miami and Miami Beach and had built and once owned the Columbus Hotel of Miami.

In sports, he was 1926 Florida state amateur golf champion and had won several tournaments in the South, including a Biltmore Forest Country Club event near Asheville.

Among his close friends was former national golf star Bobby Jones. He and Jones had played several private matches.

Palmer is survived by his wife. Funeral services were held today. Burial was in the family plot in Miami.
