### Stretcher Rolls 244 High Scores Feature Play In Bowling Sweepstakes

#### Women's League Makes Plans For 1956-57 Season

The Waynesville Women's Bowling League which met Thursday night shows promise of presenting a strong line-up of teams when the season opens September fourth. Five teams were represented at the meeting with one opening still to be filled. If enough interested bowlers are obtained the league will possibly expand to eight teams.

Bowlers interested in rolling this season should contact Miss Audrey Wyatt, president or Mrs. Oliver Yount, secretary, immediately.

The league will open play on Tuesday, September fourth. Murphy Chevrolet Company, of Canton, is defending champion but were not represented at the meeting and may not return this season.

High scores featured the 8th Anniversary Sweepstakes which were concluded Saturday night on the alleys at the Waynesville Bowling Center. R. H. Stretcher, of Waynesville, with a brilliant 244 barely edged Harrison Valentine, also of Waynesville, for the high game award. Valentine had second high with a 242. Joe Smith, of Waynesville, who turned in a set of 589 in the first week saw it stand up for high series honors.

In the women's division, Cecil Elliott captured both the high game and series prizes. Mrs. Elliott topped a 464 series with a high game of 180. Second place game honors went to Ila Bowen, of Hazelwood, with a 164.

Interest ran high in the event and if the scores are an indication, the 1956-57 season which opens the first week of September, promises some excellent bowling on the local alleys.

A total of 210,117 games was bowled in the 1956 American Bowling Congress tournament at Rochester, N. Y.
