FIRST BRITISH SHIP THROUGH SUEZ SINCE SEIZURE

WHILE THE SUEZ CANAL crisis mounts, the northern entrance to the 103-mile waterway does a bustling business as usual. Here, with full lights on, the first British passenger ship to pass through Port Said since Nasser's seizure of the canal is shown entering the port. The 28,000-ton Himalaya was en route from Australia to Great Britain with 770 passengers aboard. (International Radiophoto)

Power Companies Plan Mutual Aid

Carolina Power & Light Company and four neighboring power companies have set up a voluntary plan to help one another restore service in the event of a hurricane or other disaster.

At a meeting in Raleigh last week the five companies agreed to send available company line crews and contracted line crews when help is needed in an emergency, according to J. S. Bourne, CP&L superintendent of lines.

The inter-company plan supplements CP&L's own emergency plan to utilize its employees to the fullest extent in the wake of an emergency.

Old-fashioned candle snuffers are a good idea. Blowing out candles scatters softened wax on table tops or table linen.

Community Choir Being Formed To Sing At Graham Services

A large community choir is being formed at Lake Junaluska to sing August 19 and 20 when Evangelist Billy Graham speaks at the assembly.

Choir members and others from Waynesville, Hazelwood, Clyde, Canton and all surrounding areas are invited to participate.

Assembly Music Director Glenn Draper will conduct the choir. He anticipates an even larger group than the one which performed when Vice President Nixon spoke at the assembly. It contained 120 voices.

The rehearsal will be held at the Waynesville High School band building Monday evening at 8. There will be no auditions.

"The choir will be singing for other events at later dates, and all church choirs are urged to participate," Draper said today.

MT. STERLING AND CATALOGUEE

Mr. Sterling and Cataloguee teachers this year will be Doris C. Heatherly and Mary Evelyn P. White.

Today you can have what other cars may not have for years

JUST BETWEEN US—don't you get a kick out of keeping a step ahead of the other fellow—especially when it comes to cars?

So wouldn't you find it fun to boss the newest thing in motordom—a car with the greatest advance in transmissions since the gearshift left the floor?

And wouldn't you like to have all this at a price that is right—and when the weather is right—and right when your car is at its top worth?

Well, sir, we've got that kind of situation for you—now.

Because this very day you can step

into a 1956 Buick with Variable Pitch Dynaflo®—a transmission so modern that you may not find its like in other cars for years to come.

You can have the thrill of split-second action from the merest nudge of the pedal—and with the good-news gas savings this economy range brings.

You can have the safety-surge of power that comes from pushing down on the pedal and switching the pitch.

All with the walloping might of Buick's 322-cubic-inch V8 engine. All with the new luxury of a ride that's built on four brawny coil springs for buoyant

levelness. A ride with new steering ease and sweeter handling.

Best of all, you can make the buy of a lifetime. For today's low prices have helped move Buick into America's best-selling 3 more firmly than ever.

That means we can come to terms on the trade-in value of your car in a way that's bound to tickle you pink.

Why not stop in and take us up on that—today?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING
