(Continued from Page 1) had not been for America's Point Four program," he asserted.

Dr. Laubach called for a Christian expansion of the Point Four program, "not through selfish, political motives, but through the love of Jesus Christ put into action."

Recounting the millions of people who are hungry and who cannot sign their names, he said America and the Christian Church face their greatest opportunity "to spread the word of Christ" through economic assistance, education and demonstration of Christian love and concern.

"Oh, to have the eloquence of Billy Graham to tell these facts all over America," Dr. Laubach exclaimed.

"America has been catapulted into a place of leadership in world affairs," Dr. Laubach said, "but we are making the world hate Americans because along with the good we do we follow a policy of political selfishness."

Churches, too, are guilty of doing "too little" for the people of other countries, he charged, pointing out that the average church member gives less than two cents a day to missionary needs.

He said that he had talked to many leaders of the Far East and found that they want the help of Christian agencies "provided we do more than just preach." Dr. Laubach has visited 21 countries this year, and has been teaching his famed system of instruction for illiterates, based on "picture-word" charts, for more than 40 years in 160 languages and dialects.

Leaders of the newly-free countries in the East are afraid and want help, Dr. Laubach said, because they know that the masses are eager for education and the opportunity to raise their living standard.

The answer for churches, he said, is to provide more money and more missionary specialists — teachers, home economists, agricultural experts, doctors, nurses, social workers, as well as ministers.

"The world is wide open for a great religious revival," Dr. Laubach said, "but we must remember too, that the masses are on the march, determined to better their economic and social conditions. It is up to us to help guide their efforts into Christian channels."

Dr. Laubach said leaders of the Democrat and Republican parties are busily seeking answers to problems of American foreign policy "when the answer is right at hand in the teachings of Christ, and a proper understanding of the tribute paid Christ on the cross: 'He saved others but himself he cannot save'."

Dr. Laubach, 72, spoke softly but forcefully as he held the close attention of an audience exceeding 2,000.

Afterwards, an 11-year-old boy was heard to comment: "That is the first sermon I have ever understood."

fore the services began—every seat was taken.

O. B. Fanning, Lake public relations director, picked up a college student on Friday, who was hitchhiking from Greenville to get to the Lake to hear Graham.

There were more to hear Graham Sunday than to hear Vice President Nixon two weeks ago.

The grassed lot in front of the administration building was turned into a parking lot, and cars were parked on every available spot for a quarter of a mile from the auditorium.

Several buses arrived during the day—one from Newton, and another from Dayton, Tenn.

Among his closing points, Dr. Graham told his audience, "stay awake 30 minutes after going to bed tonight and meditate over your sins."

Dr. A. C. Acey, who presided, brought a laugh, as he announced a hymn, and remarked: "Some of you have been here since four o'clock this afternoon, and you will enjoy an opportunity to stand, as we sing, 'Rescue The Perishing.'"

Graham told the audience he was glad he selected Western North for his home, and concluded: "It is also wonderful in the winter—although we miss all you visitors."

Dr. Graham was invited to attend both national political conventions and offer prayer, but turned both down, adding, "I prefer to be here."

Smoke Bugs

CHICAGO (AP)—Fire prevention engineers with an insurance company say smoke bugs are more dangerous than firebugs.

Insurance specialists say damage caused by careless smokers last year totaled about 65 million dollars while fires of incendiary and suspicious origin caused damage of some 25 million dollars.

Graham said.

The widely-known British evangelist, Dr. W. E. Sangster, will make his first appearance on the Camp Meeting program tonight at 8 o'clock, and then speak daily the rest of the week at 11 a.m. and 8 p.m.

Dr. Sangster, who attracted a large following when he spoke two years ago at the lake, is a past president of the British Methodist Conference—the church's highest post in England—and is considered by many clergymen to be England's top evangelist.

Dr. Sangster and Dr. Graham are fast friends. The Britisher was instrumental in getting the American evangelist established on his first London mission when much of the press and the clergy was opposed to his coming.

Dr. Laubach, who opened the platform series Sunday morning, is speaking every morning at 9 o'clock in the main auditorium as an additional feature of the Camp Meeting.

Special music this week at the 11 a.m. and 8 p.m. services include a 100-voice choir under the direction of Glenn Draper, the assembly's director of music. A male quartet and soloists also are featured.

A seminar on evangelism is being held at 10 a.m. daily for ministers and laymen who are particularly interested in local church and community efforts in evangelism at the district and annual conference levels.

Leaders are Dr. A. E. Acey of Danville, Va., who for the last four years has been southeastern president of the Methodist Board of Evangelism; Dr. George E. Clary, Sr., program director at Lake Junaluska and executive secretary of the Methodist Southeastern Jurisdictional Council, Atlanta, Ga.; Dr. Wayne A. Lamb, Memphis, Tenn., and Dr. C. Lloyd Daughtery, staff member of the Methodist General Board of Evangelism in Nashville, Tenn.

A School of Prayer is being conducted daily at 10 a.m. and 3 p.m. The directors are the Rev. Frank L. Robertson of Columbus, Ga.; Dr.

It Has To Be Right

SEATTLE (AP)—John Franco was puzzled by the meticulous care workmen were displaying in putting acoustical material on the ceiling over his bar.

"Why," Franco asked the foreman, "are you being so fussy. It looks all right to me."

"Listen," the foreman replied, "my boss spends most of his time in here. This job has got to be just right."

Howard P. Powell, Raleigh, and the Rev. Thomas A. Carruth of the Methodist evangelism board in Nashville.

The Rev. Mr. Carruth is also directing a special prayer vigil throughout the meeting.

ROBERT C. EVANS, well known Haywood school teacher, received his M.A. degree in science at Western Carolina College last week. Evans will again teach science at the junior high at WTHS. He was a member of the faculty at Clyde and Crabtree schools before joining the faculty here.

Iron Duff, driving a 1949 Ford pick-up truck, met Charles Reynolds Franklin, also of Iron Duff, operating a 1949 Ford, car on a narrow bridge. Both vehicles, according to Patrolman Dayton were too much, to the left of the center of the road. Damage was estimated at \$40 to Franklin's car and \$50 to Moody's truck. No charges were filed.

At 12:45 Saturday a car and truck collision near the State Test Farm entrance on US 276 resulted in \$150 damages to the two vehicles, according to investigating officer Patrolman Harold Dayton. The report showed that Shield Bradley, Conant, operating a 1947 Studebaker truck, traveling towards Pigeon Gap, was being passed by a 1955 Chevrolet driven by Erving Crosby, Jr., of Augusta. As Crosby started to pass, according to Patrolman Dayton, he blew his horn and at that moment, Bradley said, the steering column of his truck pulled loose from the body, causing him to swerve to the left of the road. The front side of the Chevrolet hit the left side of the truck and the truck was knocked 48 feet sideways. There were no injuries, Bradley was charged with failure to yield right-of-way.

A motorcycle overturned and tossed its rider about 20 feet in an accident at the US 19-19A intersection at 10:10 Friday night, according to Patrolman W. R. Wooten, who investigated.

Wooten said that the operator of the Harley Davidson motorcycle, John Rowland Frye, 38, of Lineville, Ala., apparently did not see the traffic island as he approached the intersection. He hit the island and the vehicle threw him about 20 feet, causing bruises and lacerations of his right arm and leg where he skidded across the pavement. The patrolman took him to the Haywood County Hospital, where he was treated and released. Damage to the motorcycle was estimated at \$75. No charges were filed, the officer said.

No one was injured Saturday

Pigeon St. Bids Due August 21

Bids will be received on August 21 for construction of a new Pigeon Street school, it was announced today by Lawrence Leath-wood, superintendent of county schools.

The estimated cost is approximately \$85,000, plus equipment including lunchroom facilities at \$8,000 more.

The new building will be constructed on a 3-acre site just across the Ninevah road from the present location. It is to be of brick and to contain three classrooms, a cafeteria and a kitchen.

Double Celebration

MIDWEST CITY, Okla. (AP)—M. Sgt. Marion M. Lynch celebrated his 36th anniversary with the armed forces, first with the Army, then with the Air Force, on June 19.

On the same day, his son, John J. Lynch, was sworn into the Air Force.

"He's following in his old man's footsteps," the father grinned. Lynch is stationed at Tinker Air Force base here.

when a car overturned on the Rattliffe Cove road. The 1951 Mercury, driven by Thomas Eugene Sutton, 16, of Route 2, Waynesville, missed a curve and hit the left side of the road, going into a ditch and striking a boulder. Damage was estimated a \$150. Patrolman Wooten, who investigated, charged the driver with operating on the wrong side of the road.

Total damage was limited to \$150 and no one was injured as two cars collided Sunday night at 9:50 in Maggie, A. 1952 Nash, operated by Park Strother Winter, 18, of Balsam Manor Apartments, was passing a 1951 Ford, driven by Robert Floyd Rich, 39, of Maggie, when Rich turned left into the Rich Cove road. The investigating officer, Patrolman W. R. Wooten, said that no charges were filed.
