Strength Through Trial

After Jesus' baptism by John, He went into the wilderness and fasted for 40 days and nights. He became hungry and Satan appeared and suggested that He turn the stones into bread. Christ said, "man shall not live by bread alone."

ILLUSTRATED SUNDAY SCHOOL LESSON

Scripture—Matthew 4:1-11; James 1.

By Alfred J. Buscher

From a pinnacle of the temple, Satan told Jesus that if He was indeed the Son of God, He could throw Himself down and angels would bear Him up. Jesus said, "It is written, thou shalt not tempt the Lord thy God."

The third temptation of Jesus was from the top of a high mountain where all the world was spread before them. Satan said if Christ would worship him, He should be given all this, but Jesus told the evil one to leave Him.

After Satan left Jesus, angels came and ministered to Him. James, Jesus' brother, wrote that if we lack wisdom to resist temptation, we should pray to God in faith, for the will to resist. **MEMORY VERSE**—James 1:12.

The Golden Text

Temptation of Christ.

"Blessed is the man that endureth temptation; for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love Him."—James 1:12.

Test Drive Today's New Flite-Fuel

DISCOVER WHY WE SAY:
IT'S PERFORMANCE THAT COUNTS!

- Check off these Performance Advantages of Flite-Fuel
- Higher anti-knock
- Easy starting
- Fast acceleration
- Clean-burning
- More mileage

Claims of gasoline performance are one thing—actual performance something entirely different. That's why we make this suggestion: you've got nothing to lose and a lot to gain by test driving Phillips 66 FLITE-FUEL. Let your car's performance be the judge.

You'll discover ease of starting and responsiveness that you may never have suspected your motor could deliver. You'll benefit from the smoothness of advanced high octane. You'll get the advantages of controlled volatility and positive anti-stalling, and more miles per gallon, too. No other gasoline gives you the combination of high performance components you get in FLITE-FUEL.

Why not give FLITE-FUEL a try? Fill up today at any station where you see the familiar orange and black Phillips 66 Shield.

X-Ray your town's health!

A healthier community works better, plays harder, and grows faster. New industry looks for adequate health facilities, too, when it seeks a new site.

Over thirty communities in the Finer Carolina program elected to improve their health facilities. One Finer Carolina town built a medical clinic and established an all-time high in vaccinations in that area. Another community financed a doctor's visit from California which resulted in the physician setting up his practice in that community.

From health projects such as these come hospitals, clinics, healthmobiles, nursing services, first aid stations, mosquito and pest control, and adequate sanitary laws.

X-Ray your town and see if your Finer Carolina Committee is doing what should be done healthwise. Help make your town a better and healthier place to live.
