A principal industry of French Somaliland, largely a desert country, is salt works. Waters from the Gulf of Aden are flooded over arid desert sands and allowed to dry to leave a harvest of salt.

Four Accidents At Entrance To Balsam Section

By LOUIS ENSLEY
Community Reporter

There were four automobile accidents on the main highway below the entrance to Balsam during the past week. All four were caused by the slickness of the pavement after a light rain. Damage was estimated at \$500 and there were no serious injuries.

A lot of the tourists are leaving for their homes in Florida. Among those leaving were: Mr. and Mrs. Jack Mather and children to Daytona Beach, Fla.; Mrs. Tom Johnston and children to Coral Gables, Fla.; Mrs. Beryl Chapman and Mrs. L. Iba to Miami, Fla.; and Mr. and Mrs. W. B. Baggett and family to Daytona Beach, Fla.

Mr. and Mrs. W. G. Shepard are back in Balsam after an extended trip to the New England states.

Mr. and Mrs. Hubert Ensley were visited over the weekend by their son Winston and his wife Emily

of Newport News, Va.

Pvt. Robert Derrick will leave today for Camp Gordon, Ga. He was stationed in Fort Hood, Texas.

Jim Coward was taken to the Haywood County Hospital this week, but is now back at home.

Approximately 15 men gathered at the Balsam Baptist Church last Saturday to pour the cement floor for the new Sunday School rooms. The ladies of the church served a picnic lunch for them.

Mr. and Mrs. C. G. Shinn and Mrs. Edgar Dunn of Daytona Beach, Fla. are at their summer homes on the mountain.

Mr. and Mrs. Carl Grant and daughter visited Mrs. Grants mother, Mrs. John Jones at her home in Balsam. Mr. Grant is working in Newport News, Va.

Col. and Mrs. G. V. Whitton are back at their home after a visit to Tennessee.

Steaks, quite some years ago, were tenderized by placing them beneath saddles during horseback rides.

The hamburger sandwich as we know it today was introduced to the U. S. in 1904 at the St. Louis Fair. Earlier it had appeared at Hamburg, Germany.

Of the people over 65 in the U. S. there are 2,700,000 employed. There are an equal number of the same ages who are either retired or not working.

The U.S.-Canada defense line in the far north is called the DEW line, named for the Distant Early Warning line in case of sudden attack.
