Meter-Readers Solve Dog Problem

PORT ARTHUR, Tex. (AP)—The Gulf States Utility Co. got better results than it expected when meter

readers were supplied with "dog candy" to soothe the tempers of heelbumping dogs.

One meter reader reported a vicious dog which had long bothered him became a bosom pal after

the first bite of candy—and followed the meter reader for the rest of his route, chasing other dogs away.

Farmers Put Down Fishing Poles For Fall Work

By MRS. SAM FERGUSON
Community Reporter

Farmers in the Fines Creek section have put away their fishing poles and have started cutting tobacco, filling silos and taking care of crops grown this summer. The nice rains are certainly a great help to pastures, which were getting very dry.

Despite the hot weather, children seem very much pleased to be back in school again.

Mrs. Brown, lunch room manager, says more children are eating in the lunch room this year than ever before.

Most of the teachers are the same as last year, except that Mrs. Brown and Mrs. Donahoe did not return. Two new teachers have been appointed, as well as two new bus drivers and a new helper or bus drivers and a new helper or

Mr. and Mrs. Roy Haynes, with their son Roy Wayne, visited Mrs. Haynes' parents, Mr. and Mrs. Claude Clark Sunday.

Mrs. Miley Parton Price, formerly Miss Miley Moore, and her brother Robert of South Carolina have been visiting their sister, Mrs. Viola Caldwell, who is sick, and their brothers Hardy and Tommy Moore and their sister Elmina Parton.

Mark Kirkpatrick, son of Mr. and Mrs. M. M. Kirkpatrick, is a patient at the Haywood hospital.

Mrs. Robert Carver, who has been living in Waynesville, is now making her home with her son Wiley on Fines Creek.

Mr. and Mrs. Pritchard Ferguson of Atlanta, Ga., are here this week visiting the former's brother Grover and sisters, Mrs. Faraday and Mrs. Carl Green, as well as many other relatives in the county.

Waldo Green of Powhata, Va., and Fletcher Brown of Fines Creek are enjoying a fishing trip at Big Creek this week.

Mr. and Mrs. Herman Trantham, Jr., and sister of Belona, Va., visited relatives on upper Fines Creek during the week. They returned home Friday.

The cannery at Fines Creek is open Tuesday and Thursday each week. Quite a large number of people are taking advantage of this and canning a lot of food for winter use. Apples are one of the main things being canned.

Many people are coming here to can from different sections of the county, as well as from Buncombe and Madison counties and other parts of the state.

Everyone is quite welcome and we are very glad to have you.

Two Meetings Set At Thickety

Two meetings have been scheduled at the Thickety Park next week. Monday evening the Good Neighbor Club will hold the annual picnic for members and their families. A pot luck supper will be served and the regular business meeting, with election of officers will be held afterwards.

Tuesday evening a joint meeting of the American Legion Auxiliary and the American Legion Post of Canton will be held and a covered dish supper served.

Dr. and Mrs. T. W. Lightsey of Jacksonville, Fla., visited Mr. and Mrs. Frank Ford, and other friends last week.

The Thickety Home Demonstration Club was one of the top winners in the Labor Day parade Monday. The float, featuring the club's project on corgie making, won first place, and received a \$25 cash prize.
