**COACH BOYD ALLEN** (standing center) laid down the pigskin law to his Black Bear charges during a scrimmage session Tuesday. The Red and Black backs were in excellent form, but the team's defensive play indicated that Coach Allen and his assistants may have a lot of rebuilding to replace the linemen lost by graduation.

"THAT CERTAIN FEELING"

**Clyde To Meet Mars Hill In Hard Game There Friday**

"Clyde will have to show a lot of improvement to beat Mars Hill," Coach H. B. Griffin of the Cardinals told The Mountaineer this week as his team prepares to meet the Wildcats in a Skyline-A Conference clash Friday night at Mars Hill.

Although his charges turned back Hot Springs, 33-6, in their season's opener last Friday, Coach Griffin was not too impressed with his team's performance and said only: "They looked fair."

The Cardinal mentor scouted Mars Hill Friday night in its victory over Bakersville and reported that the Madison squad has three big backs "who run very hard."

"We particularly will have to im-

prove in our blocking to have any chance of winning Friday night," he added.

Coach Griffin said he probably will start the same team that faced Hot Springs — which includes a backfield made up of quarterback Bob McCracken in the T-formation slot, Danny Caldwell and Dean Haynes at halfback, and Johnny Rogers at fullback. Last week, Rogers led the Cardinals' scoring with three touchdowns.

Last year Mars Hill edged Clyde, 6-0, in a hardfought game on the Madison gridiron.

Former heavyweight boxing champion Jack Dempsey is 61.

**Strength Of Canton And Bethel Will Be Shown As They Play Friday Night**

Set into motion by Clyde last Friday, the 1956 football season in Haywood County will go into high gear Friday night when the Canton Black Bears clash with the Bethel Blue Demons. Kickoff time is at 8 p.m.

The game is expected to give at least a partial answer to several questions, including: "How strong is Canton this year?" and "Will Bethel make a comeback?"

It's no secret that the Black Bear backfield has more talent and speed than a stable of Kentucky racehorses, but the line is inexperienced and probably will hold the key to Canton's hopes in the Blue Ridge Conference campaign this season. Last year the Bruins were runner-up to Hendersonville in the loop and may have the best chance of unseating the Bearcats from the throne this fall.

At Bethel, the Blue Demons, under a new coach—Charlie Poindexter—will be out to improve on their 1-5-3 record last year. The Blue and White had good grid marks in 1953 and 1954, but ran into bad luck in 1955.

At Canton Thursday morning Coach Boyd Allen said he had not made his final selection of a starting lineup for the Bethel game, but indicated that these players will see a lot of action:

Jim Mathis, Jerry Raxter, and Tom Best at ends; Howard Prady, Skipper Haynes, and Bobby Smathers at tackles; Dale Branson, Jack Amos, Pat Powell, and Earl Williams at guards; co-captain Jackie Conard at center; Dewayne Milner and Bobby Pace at quarterback; co-captain Billy Stamey at right half; David Burch at left half, and Wiley Carpenter at fullback.

Coach Allen estimated that his line will average about 180 and the backfield approximately the same. Starting for the Bethel Blue Devils will be a team of either nine or ten lettermen — depending on Coach Charlie Poindexter's final selection for the left end post.

**Mary Hamlett Leads In Women's Handicap Bowling**

Mary Hamlett, of the Howell Motor team, set a sizzling pace as five teams rolled to establish handicaps as the Waynesville Women's Bowling League opened the 1956-57 season on the Alleys at the Waynesville Bowling Center Tuesday night.

Miss Hamlett rolled a high game of 190 and high series of 518 to lead in both divisions. Jean Knight with a 182 game and Audrey Wyatt with a series of 442 were second.

The league will swing into team competition next Tuesday night with six teams. Openings for two teams still remain, if other bowlers wish to take part in the 1956-57 season they should contact Ila Jean Yount, league secretary, immediately.

Nashua (\$1,100,365), Citation (\$1,085,760) and Native Dancer (\$785,240), the three top money winners in racing, each won Pimlico's Preakness.

Coach Poindexter, were: Carroll Mease or Daryl Gant, at left end, John Russell at left tackle, Joe Bob Fish at left guard, Doyle Warren at center, James Sparks at right guard, Roy Henson at right tackle, Gerald Hill at right end, Henry Capps at left half, Bud Phillips at fullback, Gene Shepherd or Billy Burress at right half, and Carroll Lowe or Carroll Henson at quarterback.

Of this group only Mease and Sparks are non-lettermen. The line will average about 165 and the backs 145.

Coach Poindexter said his team is "very light" and "not too strong on defense" and noted that the Blue Demons will be three deep in each position when it comes to reserve strength.

At Bethel, co-captains are not named prior to the beginning of the season, but are selected before each game.

POHOLSKY GRIP

**WICKER HELPED POHOLSKY WITH CHANGE OF SPEED**  
(The following was written especially for AP Newsfeatures by Tom Poholsky, St. Louis Cardinal star.)

By TOM POHOLSKY

ST. LOUIS (AP) — I have a fast ball, change up and a curve. The change of speed on my fast ball helps me most. I throw all my pitches from the same grip.

I started using a change of speeds in 1947. My dad was a sandlot pitcher and he used to talk about change of speed.

Kemp Wicker, my manager at Columbus, Ga., in 1947 and 1948, helped me develop the change. I was with him two seasons and he helped me a lot on the change of speed. Sticking with the pitch has helped me, too.

Control is the main item in pitching. Even with a variety of pitches the idea is to try to get each one over the plate or in the strike zone.

Learn to get the fast ball or curve over the plate before you do anything else.

The Cincinnati Redlegs have renewed their working agreement with Seattle in the Pacific Coast League.

Dick McGuire of the Knickerbockers in the National Baseball Assn. has led his team in assists for seven consecutive years.

**Haywood County Bowling League Meets Tonight**

The final meeting of the Haywood County Men's Bowling League, prior to the opening of the season on September tenth, will be held tonight at 7:30 p.m. in the R. H. Stretcher Building on Church St.

All bowlers are requested to be present so that an election of league officials to fill some vacancies may be held.

Team openings remain and interested bowlers should attend this meeting or get in touch with the management at the Waynesville Bowling Center immediately.

**COLORING SHELLAC**

White shellac may be colored by adding alcohol-soluble aniline dyes dissolved in alcohol say paint experts.

At 240 pounds, tackle Tom Suidoek is the heaviest player on the 1956 Michigan State football roster. He also is the oldest at 26.

Charlie Keller, former star outfielder for the New York Yankees, now is the owner of a breeding farm for horses in Maryland.

**Prizes Awarded Wednesday To Women Golfers**

Prizes were awarded at the luncheon Wednesday at the Country Club to winners of a Calloway tournament played earlier in the day.

Mrs. Johnny Johnson won the prize for the low net with a 71, while Mrs. Willoughby Cox won the low putts with a 29.

Results of a blind bogey tournament played last week also were announced. Mrs. John Hildenbiddle had the low net of 33 in the 18-hole group, and Mrs. Hoomes Rich the low putts of 32.

In the nine-hole group, Mrs. Paul McElroy carded the low net and Mrs. Stuart Roberson the low putts.

Monthly ringer low scores were turned in by Mrs. Bill Prevost with a low gross of 67 and Mrs. John Hildenbiddle with a low net of 54.

Qualifying for the women's club championship will start next Wednesday, with the final match scheduled to be played by September 27. Mrs. Bill Prevost is defending champion.

Michigan State baseball coach John Kobs won 13 letters in four sports at Hamline University. He competed in baseball, basketball, football and track.

Oil Capital and Nashua are the only two horses to win Hialeah's two big races—the Flamingo and the Widener.
