

Adult Workers Urgently Needed By Girl Scouts

Do you have time or talent to devote to the Girl Scouts?

Troop leaders and a committee members are being recruited by the Pisgah Girl Scout Council in a special drive during the two-week period September 10-22.

Workers are urgently needed in all phases of the Girl Scout program and the Council is asking adults to volunteer for any job on which they are willing to work. Mrs. George M. Kimball is serving as chairman of the drive in the Waynesville area and may be contacted for further information.

Mrs. Kimball stated that leaders are needed for several troops which were active last year, as well as for troops which should be formed for girls who have reached the age of 7 years and are eligible for membership in

Adults are needed, Mrs. Kimball said, not only to serve as troop leaders but to serve as program consultants. This could be provided by men and women who have special hobbies or activities such as sewing, music, radio, photography, folk dancing, gardening, journalism, home and outdoor safety, and citizenship. Women will more readily assume leadership of a troop if they have the help of other adults.

Still other adults, who may not be able to assist the girls themselves, are needed to work with other adults on the Girl Scout Council committees, such as public relations, finance, and camping.

A training course will be given shortly after the recruitment drive for new leaders and their assistants.

Ladies' Lunch — What's Cooking?

EGG PLANT, CRABMEAT AND CHEESE SAUCE . . . for ladies' lunch.

By CECILY BROWNSTONE
Associated Press Food Editor

THE GIRLS coming for lunch? Then you might like to serve something different: a combination of eggplant, crabmeat and cheese sauce. With it bring on hot biscuits and a salad of tomato wedges, chicory or escarole and green pepper, mixed with French dressing, and you're all set. For dessert have melon and some bar-type cookies for those who aren't weight-watchers.

EGGPLANT AND CRABMEAT LUNCHEON DISH

Ingredients: 1/4 pound (medium-small) mushrooms, 2 tablespoons butter or margarine, 3 tablespoons minced onion, 1 tablespoon minced parsley, 1/4 teaspoon salt, 1/2 teaspoon dry mustard, 1 teaspoon lemon juice, 1 can (6 ounces) crabmeat, pan-fried eggplant, cheese sauce, parsley sprigs.

Method: Separate caps and stems of mushrooms; chop stems fine. Melt butter in 8-inch skillet; add mushroom caps and cook until lightly browned, turning often, over moderate heat. Remove caps from skillet; add chopped mushroom stems and onion to butter in skillet. Cook slowly about 5 minutes. Stir in parsley, salt, mustard and lemon juice. Rinse crabmeat in cold water; drain; remove cartilage and flake; stir into mushroom stem mixture in skillet; push to one side. Arrange cooked mushroom caps on other side of skillet; reheat. Arrange hot pan-fried eggplant on serving plates; spread with most of crabmeat mixture; top with mushrooms; stuff mushroom caps with remaining crabmeat mixture. Garnish with parsley sprigs. Serve with hot Cheese Sauce. Makes 4 servings.

CHEESE SAUCE

Ingredients: 2 1/2 tablespoons butter, 2 1/2 tablespoons flour, 1 1/4 cups milk, 1/4 cup medium-fine grated natural cheddar cheese.

Method: Melt butter in top of double boiler over low heat; stir in flour; remove from heat. Gradually add milk stirring until smooth after each addition. Return to direct moderately low heat; cook and stir constantly until thickened. Place over hot (not boiling) water; stir in cheese until melted. Cover and keep warm over hot water.

PAN-FRIED EGGPLANT

Ingredients: 1 eggplant (8-10 pounds), 2 tablespoons flour, 1/4 teaspoon salt, 2 tablespoons butter.

Method: Wash eggplant and remove stem; do not peel. Cut into round slices about 1/4-inch thick. You should have 8 good-sized slices from center of eggplant and about 4 small slices from ends. Mix flour and salt on a sheet of waxed paper; dip eggplant slices on both sides in flour. Melt butter in 12-inch skillet; place as many eggplant slices as possible in skillet; fry slowly until golden brown on both sides and cooked through. As some slices get done, stack them at side of skillet and fry remaining slices.

HOT SPRINGS, Ark. (AP) — Judge M. C. Lewis Jr. reports that a marital triangle case was settled

out of court—in fact, right outside the courtroom.

The wife was accused of making telephone threats to another woman. The judge took no punitive

action, but admonished the two women to leave each other alone.

Wife, hubby and the other woman left the courtroom together. Seconds later there was the sound

of a vigorous slap. A witness told the court it was delivered by the "other woman".

No further complaints.
