Adult Workers Urgently Needed By Girl Scouts

Do you have time or talent to devote to the Girl Scouts? Troop leaders and a committee members are being recruited by the Pisgah Girl Scout Council in a special drive during the two-week period September 10-22.

Workers are urgently needed in all phases of the Girl Scout program and the Council is asking adults to volunteer for any job on which they are willing to work. Mrs. George M. Kimball is serving as chairman of the drive in the Waynesville area and may be contacted for further information.

Mrs. Kimball stated that leaders which were active last years, as well as for troops which should be formed for girls who have reached the age of 7 years and are eligible for membership in Brownie Troops.

Adults are needed, Mrs. Kimball said, not only to serve as troop leaders but to serve as program consultants. This could be provided by men and women who have special hobbies or activities such as sewing, music, radio, photography, folk dancing, gardening, journalism, home and outdoor safety, and citizenship. Women will more readily assume leadership of a troop if they have the help of other adults.

A training course will be given shortly after the recruitment drive for new leaders and their assistants.
