Freedom's key to better living is your newspaper....

Freedom of choice is the foundation of America's free way of life. Your ability to choose wisely depends on your knowledge of the truth. Look to your newspaper for the authentic facts that are your indispensable guide-posts to better living.

Freedom and responsibility are inseparable. To the full extent that we are free to choose for ourselves, we must take the responsibility for the choices we make. Your newspaper exists to bring you the accurate information you need to choose always in the best interests of yourself, your family, your country.

American youth early finds "freedom's key to better living" in the pages of its newspapers. Our unparalleled opportunities for achievement... our priceless rights to think, speak and choose for ourselves... can be maintained only so long as our newspapers keep forever open our channels to the facts that concern us.

Knowledge of the truth provides the power on which America moves forever forward!
