**March Of Dimes Fund Campaign Set In January**  
Max Rogers, Waynesville chairman for the National Foundation for Infantile Paralysis has announced that the March of Dimes campaign will begin January 1, 1957, and will be terminated with the Mother's March January 31.  
"The fight against polio will not be finished until polio is finished as acripper of children and adults," Mr. Rogers said.  
"There are still millions and millions of susceptible persons still unvaccinated. This circumstance calls for more action and more funds if victory over a virus is to be translated into victory over disease," he added.  
The 1957 budget for the U. S. will be \$46,900,000. A total of \$10,000,000 will be immediately earmarked for Salk vaccine for those families who would find it a burden financially to provide it for their families.  
"As the impact of polio shifts from epidemic emergencies to the restoration of lives, considerably more March of Dimes funds must be channelled into an all-out-rehabilitative attack against the disease," Mr. Rogers said.  
"As the fight against infantile paralysis was carried on over the years, the pressure of epidemic polio made it necessary to concentrate on saving lives. Now, even before the acute phase of the job is finished, the emphasis must shift more and more to make those saved lives worth living," he concluded.

September 18 because the photographer came and made pictures. Ever since then the annual staff has been at work getting the copy ready to be sent off. We are hoping to have the best annual ever, and we believe we can if we work hard. We, the seniors, wish to thank all the merchants who gave us ads for the annual. We appreciate their contributions very much.

**Bodyguards**  
RECTOR, Ark. (AP) — Postman Melvin English is one mailman who doesn't have to worry about being bitten by a dog. He has five bodyguards as he walks his round.  
The bodyguards? Five big dogs.  
Everyone really looked good  
The seniors received their class rings September 17. We think they are pretty and we are very proud of them. We feel that we have deserved them.
