

# All-Western Horse Show Set For Two Performances Here On Saturday

## Over 100 Horses To Be Shown

An All-Western horse show featuring North Carolina horses—the first such event ever held in this region—will be staged at the Waynesville Recreation Center grounds Saturday by the newly organized Smoky Mountain Trail Riders Club.

Two performances will be held—one at 1 p.m. and another at 7 p.m. Preceding the show, a parade will be held down Main St. in Waynesville at 11 a.m. Saturday.

One hundred horses and ponies will be entered in the 20 classes of the show, to be ridden by riders of all different ages. Both cash prizes and ribbons will be awarded to winning riders, while 20 prizes of merchandise will be presented to spectators at the show.

Special events at the show will be trick riding and a mule race. Horses entered in the show will be from Haywood, Buncombe, Henderson, Madison and Jackson counties. The admission price will be 50 cents for each performance.

Serving as show officials will be: George Evans, general manager; Jim Heatherly of Cruso, ringmaster; Mrs. Evans, secretary, and Barnyard Barney of Canton, master of ceremonies.

Tickets for the event are now on sale at a number of places in the Waynesville area.

### 2nd Turkey Shoot Slated Saturday On Asheville Road

The second 4-H Club turkey shoot of the year will be held on county property adjacent to the Welch Farm place, between Waynesville and Lake Junaluska, from 12 noon until 5 p.m. Saturday, according to Cecil Brown, assistant county agent.

To be offered will be trap shooting at clay pigeons and rifle and shotgun targets. Shooters must bring their own weapons, but can get ammunition on the grounds.

All profits from the shoot will be used to finance county 4-H Club projects.

Top winners in the first shoot last week were: Doyle Sutton, Route 4, Waynesville, and Hardy Stinnette of Waynesville with rifle; Virgil Holloway of Hazelwood, in trap shooting, and Sam Brown of Lake Junaluska and Raymond Caldwell of Iron Duff with shotgun. Awarded as prizes in the 4-H Club turkey shoots are dressed turkeys from the Farmers Federation.

### Waynesville Frosh Lose To Hendersonville

The Hendersonville Freshman football team defeated the Waynesville Frosh, 24-13, for their fourth win without a loss at Hendersonville Wednesday night.

Steve Orr scored for the Little Bearcats on a one yard plunge in the first quarter after a 42 yard run by Wade Britt.

In the second quarter Hendersonville scored twice. Jimmy Harberson went 45 yards on a punt return and Orr passed to Britt on a play which covered 41 yards.

Britt scored again on the first play of the fourth period on a Statue of Liberty from the 15.

Waynesville tallied twice in the fourth quarter with Skeeter Robinson getting both TD's. The first came on a 40 yard run and the second on a two yard plunge. Bruce Moody added the extra point.

There are quite a few people in the Waynesville area who apparently think of a midget football team as a handy device to keep a few youngsters out of trouble for a couple of months in the fall.

Although there has been a midget football squad here for the last several years, the team has gotten very little support from the public, and has never had enough money for uniforms and equipment.

Despite the indifference of the fans in a community which claims to be a football town, the midgets have forged ahead steadily.

Last season \$600 was spent to equip the Midget Mountaineers, and another \$360 worth of equipment has been ordered this year. At present three teams have been outfitted.

Additional money is needed to buy practice uniforms (the team now is forced to practice in their game uniforms) and to purchase insurance (costing \$60 for the entire team) in the event any of the boys are hurt.

In contrast to Waynesville, where the midgets are treated like red-headed orphans, are Canton and Hendersonville, where the program has the enthusiastic backing of the public.

In Canton, the Gra-Y Bears midget team was organized in 1948 (Charlie Carpenter was the squad's first quarterback) and has grown to be one of the outstanding player aggregations in the entire country. The Bears have been state champions in three out of the last four years, and last season they were national YMCA champions as the result of whipping Bessemer, Ala., in the Chick Bowl at Vineland, N. J.

Members of this year's Canton High varsity who were formerly on the midget team are Billy Stamey (who played the leading role in his team's 45-6 slaughter of Waynesville), Wiley Carpenter, Bobby Pace, Don and Tom Price, Doug Price, Michael Clark, Fred Cable, Jimmy Mathis, Dale Branson, Jack Amos, Pat Powell, and Skipper Haynes.

All in all, about 80 per cent of the present Canton varsity squad learned their football fundamentals on the Gra-Y Bear squad.

Coached by Nazi Miller and George Price, the Canton midgets now have EIGHTY-FIVE boys in uniform—organized into six teams and a number of "spares".

Although they are coached by paid employees of the Champion YMCA recreation staff, the Gra-Y Bears earn all of their money by selling Christmas trees and cards in the winter and mowing lawns in the summer.

As usual, the Gra-Y Bears are undefeated this season—having scored two wins over Waynesville and single victories over Asheville and Hendersonville.

At Hendersonville, Charlie "Choo-Choo" Justice, North Carolina's All American, organized a midget football team in the Henderson County metropolis for the first time this fall. However, the future Bearcats were not forced to beg for support. Instead Hendersonville fans pitched in and bought enough uniforms and equipment at the outset to equip FIVE full teams.

One of these days Waynesville fans are going to wake up and discover that boys have to start early to learn the type of football played today—a game that places a premium on speed, deception, and alertness—all of which can't be achieved overnight.

And one of these days Waynesville fans are going to get fed up with the sight of Canton players reeling off long runs against a confused WTHS team, and decide the time has come to build for the future by backing the midgets.

It's up to the fans to decide. Shall it be: Waynesville IS a football town, or: Waynesville WAS a football town?

### Notre Dame Goes To A Back For Leader

NOTRE DAME, Ind. (AP)—Jim Morse, a senior halfback with two monograms, is the first back to lead the Notre Dame football team since 1945 when quarterback Frank Dancewicz held the honor. Morse last season caught 17 passes for 424 yards and two touchdowns.

### Clyde Announces Changes In Bethel, Glen-Alpine Tilts

Changes in the dates and places of two Clyde High football games have been announced by Coach H. B. Griffin.

The Clyde-Bethel game, originally scheduled at Clyde the afternoon of Friday, October 26, has been moved to Canton Memorial Stadium, where it will be played at 7:30 p.m. Thursday, October 25.

Also to be played at Canton will be the Clyde-Glen Alpine game, which has been rescheduled for 7:30 p.m. Saturday, November 3. This tilt was originally set at Clyde Friday, November 2.

The Clyde Cardinals are currently leading the Skyline-A Conference with a record of seven straight wins and no defeats. The Maroon and Gold gridders go against Tryon this Friday night at Tryon.

### WTHS-Canton Jayvee Game Reset; Brevard Falls, 34-0

The Canton-Waynesville junior varsity football game, originally scheduled to be played here tonight will be rescheduled because of the change in the Waynesville-Brevard varsity game this week, according to Jayvee mentor Gene Leonard.

He added that the new date will be announced later.

Coach Leonard's charges kept their record of wins intact at Brevard last week by thumping the Little Devils, 34-0.

Johnny Carswell started the scoring for WTHS at Brevard by picking up a Waynesville fumble and running 55 yards. He also added

the extra point. Later in the first quarter, Jerry Webb elimated a Waynesville drive by crossing the goal line from eight yards out. Quarterback Wayne Pruett passed to end Bobby Trull for the extra point.

In the third quarter, Carswell scored again from the 10-yard line and once more plunged for the extra point.

In the early part of the final period, Webb got loose around end and went 65 yards for the touchdown. Trull caught another pass for the extra point.

Kenny Gibson wound up the scoring for the Little Mountaineers

### Brevard Tilt Here Tonight Is Postponed

BULLETIN

Just as The Mountaineer prepared to go to press this afternoon, C. E. Weatherby, Waynesville High principal, telephoned to report that the WTHS-Brevard game, scheduled to be played here tonight, has been postponed until 8 p.m. Monday.

ON THE OTHER SIDE of the field tonight will be Bill Milner, former Mountaineer great and All-American at Duke, who will guide the Brevard Blue Devils as an assistant coach. Before going to BHS, Mr. Milner was a sanitarian with the Haywood County Health Department. (Mountaineer Photo)

The Blue Ridge Conference football spotlight will shine brightly on Haywood County this week when four of the five top teams in the conference will be in action.

Brevard and Waynesville will open the pigskin fireworks at 8 p.m. tonight at the WTHS stadium in a game which may decide the No. 3 spot in the conference—depending on what Owen High does the remainder of the season.

Friday night at Canton, the Black Bears will play host to the defending champion Hendersonville Bearcats in a game that will—for all practical purposes—decide who rules the Blue Ridge roost for 1956.

The Bearcats, who won the title in 1954 and 1955 will be out for their third straight crown, but the powerful Black Bears have an excellent chance of downing the champions.

Hendersonville has a big, experienced line and a 205-pound fullback in Bob Elliott, but its regular quarterback—Yogi Poteet—is out of action for the season, and its halfback slots also are filled by newcomers.

By contrast, Canton's backfield has three seasoned performers in Dewayne Milner, Billy Stamey, and Wiley Carpenter, and a talented fourth member in hard-running David Burch, who scored two touchdowns against Waynesville without a hand hardly laid on him.

The Bearcats have beaten Owen, Brevard, Enka, Waynesville, Christ School, and Bethel, and have lost to Greenville, S. C. The Black Bears have defeated Bethel, Enka, Brevard, Waynesville, Asheville School, and Blue Ridge School.

At Waynesville tonight, both the Blue Devils and the Mountaineers will be cut to salvage something from a season that has been largely disappointing. Both teams showed considerable promise in their first two games, but then both got bowled over by the conference powerhouses, Canton and Hendersonville.

By comparative scores, Brevard holds an edge in the Canton and Reynolds games, while Waynesville turned in the best performance against Bethel and Hendersonville. The Mountaineers turned in their best of the season last week by pounding Enka, 46-6.

An added feature of tonight's game will be the appearance of Bill Milner, Waynesville's All-American, who is now an assistant coach at Brevard.

In other county games, the undefeated Clyde Cardinals will be favored to win their eighth straight without much trouble against Tryon on the Polk Countians' field at 8 p.m. Friday.

The Bethel Blue Demons also will be on the road this week—traveling to Arden Saturday afternoon to face the Christ School Greenies.

### Diversified Hockey Schedule

NEW YORK (AP)—In an effort to cater to the commuters who live outside New York City, the New York Rangers have set up a unique hockey schedule for the coming season. Sixteen games are set for a 7 o'clock Sunday night start. There will also be two Saturday afternoon games. The Rangers open the season Wednesday, Oct. 17 against the Boston Bruins in Madison Square Garden.

late in the game by crashing through from the five, climaxing another Waynesville march. The try for extra point was no good.
