

B & P Motor Lines Cover Eastern America

A NEW TRAILER just acquired and put into service by the B & P Motor Lines, of Hazelwood. The trucks cover Eastern America and have an unusual record for safety.

Firm Enjoys Long Record Of Safety

Nine million miles of safe driving is the record of B & P Motor Lines since its organization in 1939. During that period, officials say that there has been no chargeable accident with damages amounting to more than \$100.

The company serves 28 states with a fleet of 12 trailers and 9 tractors. Added this month is a spanking - new combination valued at \$20,000.

Furniture and petroleum are the principal goods which B & P hauls, with furniture averaging 200 tons—or 750 whole suites—a month.

Since its organization with one truck and one trailer, the firm has averaged 500,000 miles a year; the figure now is 800,000. One driver, who has been with the company for its 18 years, has driven an estimated million and a half miles.

A NEWLY SHINGLED ROOF catches the eye of the passer-by at the Hazelwood Seventh Day Adventist Church.

Seventh Day Adventists Showing Substantial Gains

The Hazelwood Seventh-day Adventist Church has baptized seven since this time last year, its pastor, J. O. Wilson, reports.

"We have done nothing worth boasting about," said Mr. Wilson, "but we feel that the tithes and offerings of this little scattered church of thirty members are not bad. Here is the record for 1956 to the end of August: tithes, \$1,058.37; offerings for foreign missions, \$334.32; additional offerings for church expense and local missionary work, \$230.33.

"Our little tabernacle was really put up as a temporary structure," Wilson said, "and we would like very much to have a more permanent and more presentable building. We did put on a new shingle roof this year. But we feel we must keep up our foreign mission offerings, even if it means waiting a little longer for a better church for ourselves." Plans for the immediate future

THE REV. J. O. WILSON, pastor of the Seventh Day Adventist Church of Hazelwood.

The North Hazelwood Baptist Church has very nearly doubled its membership during the past year.

THE NORTH HAZELWOOD BAPTIST CHURCH is proud of having paid off the church debt and installed a floor furnace during the past year. This year members plan to finish the building and do the landscaping.

NEW HOUSES GO UP ON EVERY STREET in Hazelwood, and old homes are remodeled to keep pace with the "spic and span" look of their new neighbors.

PTA Ranks Among Best

The Hazelwood PTA is one of the most active parent-teacher organizations in the county and one of the few which meets the requirements for a Standard rating.

Last year the organization had 425 members and, while the membership drive for this year is just under way, 300 members attended the first meeting held October 8.

The PTA's main project for

this year is a continuation of last year's work of providing a paved play area on the school grounds. The paving has been completed and equipment is being added. This was a project costing around \$4,000 and is nearly half-way debt free.

Money has been raised through the concession stand at the Carnival held here in July, two professional programs presented at the school, picture sales, and

membership dues.

The organization completed a Safety Program last year in cooperation with the Hazelwood Board of Aldermen, which eliminates all parking across the street from the school and requires all loading and unloading of students on the school side of the street.

Two study courses were held last year, one for pre-school parents and one conducted by a state

THE REV. AVERY PEEK, pastor of the North Hazelwood Baptist Church.

N. Baptist Church Is Progressive

With the church debt paid off during the past year, and a floor furnace installed, members of the North Hazelwood Baptist Church are looking forward to finishing their building and doing some landscaping in the near future.

Established as a mission only a few years ago, the church now has a membership of 60 and a Sunday School enrollment of 95. Only this year, 25 persons joined the church by Baptism or transfer

PTA field worker.

A clothing box provided by the PTA took care of clothing needs of many of the children.

Over a period of the past few years the PTA has provided three-speed record players for each class room and a fine record library to which records valued at \$100 are added each year.

Four film-strip projectors have been bought for the school and the film library contains around 700 film strips on as many subjects.

The school has two 16 mm projectors and one of the best reading libraries in the county with 5000 volumes.

Carl Ratcliffe has been principal of the school for the past three years.

B & P trucks covered nearly a million miles last year.

The Hazelwood Seventh-day Adventist Church hopes to establish a day school for its youngsters.

More Hazelwood citizens participated in the community-wide clean-up, paint-up, and fix-up campaign this year than ever before in the history of the community.

of letter.

The Rev. Avery E. Peek, pastor, and the Rev. J. R. Blanton, assistant pastor, report that their Sunday School attendance averages 65 persons! Sunday School superintendent is D. A. Winchester. His assistant is Jehu Winchester.

The Training Union is growing under Director Charles Robinson. Present enrollment is 46, with average attendance, 35.

Music is an important part of the church life, and the choir is made up of some 20 members.

One revival was held during the year, with the Rev. J. M. Woodard in charge.

Regular events of the church's program include Bible study each Wednesday night; cottage prayer meetings each Saturday night; and a visit one Sunday of each month to Dixon's Rest Home for services.

Every child attending the Hazelwood school, that travels on a bus or in a private car, steps directly from the vehicle to the sidewalk, and never crosses the street at the school. Police are on duty each morning to direct traffic, and in the afternoon at the red light to assure additional safety for the pupils of the school.

An average of 765 children — approximately 92 per cent of the school's enrollment — eat in the Hazelwood School cafeteria daily.

center mostly around the boys and girls of the church and their friends, Wilson said. His church feels, he said, that to fight the increasing juvenile delinquency that is becoming a major problem throughout the country, the church must do everything possible to hold the interest of its children and youth.

These plans, Mr. Wilson said, include improving the children's and young people's departments of the Sabbath school, organizing "Missionary Volunteer" progressive class groups and a "Pathfinder Club" for nature study and recreation, and even establishing a regular "church school" — a day school for the children of the church.
