Petition Criticizes Animal Shelter On Site Of Incinerator

Plans for construction of a county animal shelter on land owned by the Town of Canton, near the town incinerator, have been delayed by the presentation by a group of Thickety residents to Canton aldermen, opposing the site for a shelter.

Signed by 116 residents of Thickety community, the petition criticizes both the Canton incinerator, and the proposal to build a county dog shelter.

The Town of Canton has a cage near the incinerator where dogs are kept until claimed by their owners or disposed of, if necessary.

The Haywood County Humane Society has advocated construction of a county animal shelter for proper care of stray or lost dogs, and for the operation of a gas chamber for humane disposal of animals.

club will sponsor the Mountaineer Midget football team and may later organize a basketball team. Boys will carry on projects to raise money for recreation, and also will assist later with community projects. Parties will be held from time to time, and hiking and camping trips will be scheduled in warm weather, Mr. Powers added.

The boys club will start on their project this week—to raise money to buy letters for their football players, and to finish paying for football equipment purchased this year.

Mr. Powers explained that the W and H Boys Club will be similar to the Gra-Y Boys Club at Canton, which makes several thousand dollars each year by selling Christmas cards, Christmas trees, operating the concession stand at Champion Y softball games, and mowing lawns in the summertime.

Blue Ridge Spelling Bee Set Tuesday

Plans have been completed for the second annual Blue Ridge Conference Spelling Bee to be held in the Bethel High School Auditorium Tuesday.

Competition will get under way at 8 p.m. Each conference school will be allowed three spellers. National Spelling Bee rules and regulations will prevail. Word lists, pronouncers and judges will be furnished by Western Carolina College.

C. C. Poindexter, principal of Bethel District Schools, will direct the program. The winning school will be awarded a trophy by the Sports Mart of Asheville.

Conference schools expected to send entire are Bethel, Brevard, Canton, Enka, Erwin, Hendersonville, North Buncombe, Owen, Reynolds and Waynesville.

The following National Spelling Bee rules will be observed at the conference match:

1. In competition, contestants may pronounce words before spelling them, after spelling them, or not at all.
2. Proper names must be capitalized.
3. Having started to spell a word, a contestant shall be given no opportunity to change letters once pronounced. A speller may retrace, provided letters and their sequence are not changed in the retracing.
4. A contestant may request that a word be re-pronounced, defined or used in a sentence. The pronouncer shall grant this request until the officials agree that the word has been made reasonably clear to the contestant. Judges may disqualify any contestant who ignores a request to start spelling.
5. Obsolete spellings will be regarded as errors.
6. If, inadvertently, no definition of a homonym is given, the correct spelling of either word shall be accepted as correct. When a speller is given the definition of a homonym, he must spell the word defined.
7. When a speller fails to spell a word correctly, he or she must drop out of the contest, and another word shall be given to the next contestant in line.
8. The elimination procedure changes when the contestants are reduced to two. At that point, as soon as one contestant misspells a word, the other contestant immediately shall be given an oppor-

Huffman said he entered the home of Harry Haynes, Clyde, and took a pistol valued at more than \$50.

The third young man, Jimmy Gaddy, of Dutch Cove, admitted to officers he was a companion with Pressley when the latter entered the Johnson home in Cathey Cove. Gaddy is under a \$500 bond.

Sheriff Campbell said Buncombe county officials want Pressley and Huffman for entering the home of Mr. and Mrs. Clyde R. Hoey, Jr., near the Haywood line. The two men pretending to be school officials, called Mrs. Hoey and told her she was wanted at the school her son attends in Canton. Mrs. Hoey hurried to the school to find that she had not been called by a member of the faculty. Upon her return home found two rings valued at \$1,000 and other items worth \$45 missing.

The arrest of the three men solved the mystery surrounding the series of break-ins, which officers had been investigating for some weeks.

Three Men Confess To Series Of County Robberies

Three young Haywood county men have confessed to officers to a series of break-ins, and both are being held in jail in default of heavy bonds.

Justice of Peace J. J. Ferguson on Friday set bond at \$2,500 for Theodore Luther Huffman, 21, of Clyde, and bond for Troy Pressley, 19, at \$2,000, after the two confessed to three break-ins together and each a lone job.

Pressley was arrested on October 30 for breaking into the home of Walter Johnson, Cathey Cove. He was being held in jail, while Sheriff Fred Y. Campbell, and Chief Stroupe, Canton, continued investigation, which resulted in the arrest of Huffman.

The two confessed to having entered the Smoky Mountain Candy Company, Canton, while church services were in progress across the street at the Methodist church. They took merchandise valued at more than \$100. The two also admitted entering the home of W. F. Brown, of Clyde, and taking \$40, and both said they went into the home of Mrs. Daisy Pinnet Penland, and took over \$50 in money and household goods.

Huffman said he entered the home of Harry Haynes, Clyde, and took a pistol valued at more than \$50.

The third young man, Jimmy Gaddy, of Dutch Cove, admitted to officers he was a companion with Pressley when the latter entered the Johnson home in Cathey Cove. Gaddy is under a \$500 bond.
