

Black Bears, Washington Meet Friday At Canton For State Class-AA Crown

The 'finest team in the history of Charlotte Harding High School' according to the Harding coach, was no match at all for the ferocious Canton Black Bears as the Blue Ridge champions flattened the previously unbeaten Rams, 30-7, to win a berth in the state finals.

The victorious bruins will meet the eastern titleholders, Washington, for the state championship this week — in a game which probably will be played at Canton. Leading the Black Bears over the favored down-staters was quarterback Dewayne Milner, who scored twice and picked up 138 yards rushing on eight carries for an amazing average of 17.3 yards. Hard-running David Burch scored the TD and gained another 111 yards on 20 carries for a hefty 5.6 average.

On defense, the Canton line was superb and limited the Harding backs to a scant 13 yards rushing and two first downs during the entire first half. At the end of the game, the Charlotte team had picked up only six first downs to Canton's 11 and only 109 yards rushing to Canton's 351.

Standouts in the CHS forward wall were tackles Howard Frady and Skipper Haynes, guard Dale Branson, center Jackie Conard, and end Jim Mathis.

Before tangling with the Black Bears, Charlotte Harding had won 11 straight games, including two with Class-AAA opponents—Charlotte Central and Gastonia.

The bruins wasted little time in scoring, racking up a touchdown with only two minutes and 56 seconds of the first quarter gone. Milner set up the six-pointer by intercepting a pass by Jack Justice on the Canton 47.

After the Bears had moved the ball to the Harding 48, Burch exploded through a hole at guard and raced into the end zone. Charles Duke then place kicked the extra point.

Charlotte took the next kickoff, made one first down, but then had a kick, with the boot going into the end zone. The ball was brought out to the Canton 20 and a moment later Milner found another gap in the Harding defenses and ran from his own 23 to the Rams' 12. A five-yard penalty set Canton back momentarily, but Milner then led to Burch and circled right and for the touchdown. Duke's kick this time was no good.

In the third quarter, Canton drove all the way to the Harding 50, but a five-yard penalty moved the ball back to the seven. Instead of trying for the touchdown, the Bears elected to try a field goal and Duke booted the oval through the uprights from the 13 — a total distance of 23 yards.

Late in the third quarter, Charlotte made its only successful drive of the night by moving 80 yards in six plays with fullback Bill Godfrey turning in runs of 35 and 33 yards and then going over from the 10. Justice kicked the

extra point. Trying desperately to narrow the margin still further, Harding took to the airwaves, but Milner picked off a Justice pass on the Rams' 43 and scampered down the sidelines for the score. Duke's kick made the count 23-7.

The Black Bears still weren't through scoring, however, and picked up a final touchdown in the last minute of the game, when Billy Stamey climaxed a 54-yard drive by going over from the 15. Duke's kick was again good and the game ended with Canton on top, 30-7.

Deer kills in the Sherwood Forest game refuge for the first week of the 1956 season totaled 61, according to a report received by The Mountaineer this morning from Dillard Hooper, game protector on West Fork.

This figure was only five below the two-week total for 1955, Mr. Hooper pointed out.

Last week on West Fork, 843 hunters bagged 47 deer, while on Big East Fork, 262 hunters killed another 14. Of this total, six deer were killed by hunters in the Cattle Camp wilderness area.

During the two weeks of the 1955 hunting season, 1,040 hunters downed 52 deer on West Fork, and 339 marksmen killed 14 more on Big East Fork.

The 1956 season will end this Saturday, Mr. Hooper reminded hunters.

Fired up by their 30-7 conquest of Charlotte Harding at Lenoir-Rhyne last Friday night, the classy Canton Black Bears will attempt to run their victory string to an even dozen this Friday night at 8 p.m. against Washington in a state-championship game at Canton Memorial Stadium.

The contest on the Paper City turf will mark the first time a state championship game has ever been played in Western North Carolina. Last year the Class-AA finals between Hendersonville and Kinston were played on Kinston's home field, and the game was won by the Eastern Carolina eleven.

Rated the underdog against Charlotte Harding, the Black Bears played their best game of the season in mauling the surprised Rams. Dewayne Milner and David Burch ran up and down the chalk stripes as if they had a mortgage on the Lenoir-Rhyne stadium, and the Canton forward wall put the brakes on every Charlotte drive except a lone one in the fourth period. (The march began near the end of the third quarter and was climaxed early in the fourth quarter.)

The bruins scored twice in the first quarter, picked up three points on a field goal in the third quarter, and then scored two touchdowns in the fourth quarter.

Washington, Canton's opponent Friday night, is still undefeated, but has been tied once.

St. John's Coach Hopes For Improved Cage Record

Despite a 54-17 loss to Calhoun in their opening game Friday, Coach Bill Woody of the St. John's Crusaders is still hopeful that his basketball team this year will improve on last year's record.

For the coming campaign, Coach Woody said, the Crusaders have five lettermen back for duty and five more promising reserves, who may break into the starting lineup at any time. Four of the varsity squad members are six feet or over, he added.

Letter winners who will don the green and white again this year are guards Bud Miller and Bob Henry, center David Greene, and forwards Ronny Plemmons and James Kirkpatrick.

Reserves include Aurelio Rubial and Jake Redmond, guards; Jim Plemmons, center, and David Underwood and Tony Woods, forwards.

This year, for the first time, St. John's also will field a junior varsity team.

Trying desperately to narrow the margin still further, Harding took to the airwaves, but Milner picked off a Justice pass on the Rams' 43 and scampered down the sidelines for the score. Duke's kick made the count 23-7.

The Black Bears still weren't through scoring, however, and picked up a final touchdown in the last minute of the game, when Billy Stamey climaxed a 54-yard drive by going over from the 15. Duke's kick was again good and the game ended with Canton on top, 30-7.

Setzer Wins North State Squad Spot

Bob Setzer of Waynesville, former Mountaineer star, was one of two Western Carolina College gridders named to the 1956 All-North State Conference team, according to an announcement Sunday.

Setzer, a senior guard, weighs in at 185 and stands 5-11.

The only other Catamount player named to the all-star squad was back Tommy Lewis of Chadbourne.

As expected, conference champion Lenoir-Rhyne dominated the all-conference team with eight men on the select squad.

Other WNC gridders honored were Bill Browne of Mountain, a Catawba star, and Bill Stanley of Marion, an Appalachian back.

The leadoff batter for the Brooklyn Dodgers reached first base in seven of the nine innings of the fourth World Series game and the National League Champions scored only two runs against Tom Sturdivant of the Yankees.

Michigan State's 1955 football team entered the third quarter in the lead with the Spartans scored 85 points while giving up only 7.

Fumbles Hurt Midwestern; Buncombe Wins, 13 To 6

Five costly fumbles led to the downfall of the Midwestern all stars in their second annual Senior Bowl clash with Buncombe County as the host team evened up the series with a 13-6 victory at Asheville Memorial Stadium Thanksgiving Day.

Last year the Midwestern team won over Buncombe County by the same score.

Midwestern threatened frequently in the first half, but fumbles stopped every one of the drives. One bobble came on the Buncombe five-yard line, one on the 25, and another on the 42.

Late in the second quarter, Midwestern backs fumbled for the fourth time, but instead of being deep in Buncombe County territory the ball was lost on their own six-yard line.

Midwestern put up a strong goal-line stand for three downs, yielding only one yard, but on fourth down Larry Gravette of Owen ran the option play to the left and pitched out to Claude Gibson of Lee Edwards, who sprinted into the end zone. Vernon Canton of Lee Edwards placekicked the extra point.

Buncombe County widened its margin at the start of the second half by taking the kickoff and rousing in 10 plays to the Midwestern seven. From that point, Donald Redmond of Owen blasted through tackle for his team's second touchdown. Canton's kick for the extra point was blocked by Milam Wall of Mars Hill.

Midwestern came back on the next kickoff and drove 66 yards for a touchdown in 14 plays, with Wall, Neal Palmer of Waynesville and Johnny Rogers and Bob M'Cracken of Clyde picking up most of the yardage. The Midwestern drive almost stalled near the goal line, but on fourth down and with five to go, Carroll Hooper of Waynesville took a pitchout from McCracken and circled left end for the score. On the try for the extra point, Charles Sproules of Hendersonville attempted a placekick, but the boot went wide of the mark.

The Midwest threatened once more in the fourth quarter, but a pass interception stopped that drive.

At the end of the game, Milam Wall, Mars Hill fullback, was named the most valuable player in the contest. Last year that honor went to another Midwestern fullback—J. W. Stevens of Waynesville.
