**DAILY SWEATER CARE**—For you who wear sweaters, daily care is an easy assignment if you never place a sweater on a hanger. Instead, with a minimum of folds, store it in a drawer. Use a slip-on dress shield for extended sweater life and good grooming.

Fine dry bread crumbs often make fine casserole toppings; but first mix a cup of the crumbs with a quarter cup of melted butter or margarine.

**SHOULDER PADS**  
It's best to wash foam rubber shoulder pads in thick soap or detergent suds. Rinse and press out excess moisture. Let them dry before sewing them back into place.

Notch the edges of thin rounds of raw carrot and cut a tiny round out of each center; pull a small sprig of parsley through the round. Result: Beguiling garnish for appetizers, salads, fish or meats.
