mal, we are able to appraise results with an unprejudiced point of view. One of the points for appraisal and which needs to come to the attention of the people is the manner in which the general election was conducted in Haywood County on last November 6th.

"You as chairman, and the Haywood County Board of Elections are to be commended for the fine manner in which you conducted this election. In the memory of many voters, this was, as a matter of record, one of the cleanest and best supervised elections ever held in Haywood County.

"On behalf of the Board of Directors of the Waynesville-Hazelwood-Lake Junaluska Chamber of Commerce, it is indeed a pleasure

collision Friday night between a 1953 Ford driven by Bobby Case, 22, Route 2, Canton, and a 1949 Chevrolet driven by Leroy Murray, 23, Route 2, Canton.

Patrolman Bryson reported that Case stopped his car in front of the service station and was struck from the rear by Murray. A charge of following too closely was later made against the latter.

Damages were estimated at \$150

to send this commendation for the good work you have done. You have our sincere best wishes that this election will serve as a pattern for all elections to come. We pledge our non-partisan support to this end."

The American Music Conference says that there are 1,600,000 players of the ukulele in the United States. The harmonica has 400,000

to Case's car and at \$200 to Murray's car.

The third accident occurred at 4 p.m. Sunday on the Henson Cove road when a 1950 Mercury, owned by Bobby Lewis Henderson, Route 2, Canton, and parked in front of Mrs. Thelma Duckett's residence, was struck by a 1950 Ford driven by William Eugene Skidmore, 17, of Canton.

Patrolman Bryson reported that Skidmore rounded a sharp left curve on the left side of the road and skidded into the Henderson car. The former was charged with driving on the wrong side of the road and exceeding a safe speed.

Damage was estimated at \$250 to the Skidmore car, and at \$100 to the Henderson car.

Presenting The Kitchen Style Show of the Year!

We're showing for the first time

the revolutionary, all-new Frigidaire **SHEER LOOK**

You've never seen anything like the Frigidaire Sheer Look appliances. That's why we're presenting the Sheer Look Style Show. Here's your chance to preview an entirely new concept in appliance styling—and a whole new world of kitchen convenience. Plumb-line straight and T-square sheer, these dazzling new

1957 Frigidaire appliances make every corner count—blend beautifully—have that modern "built-in" look. You'll see all the new features "in action," get tips you can use—and enjoy yourself every second. So, come in today—and bring your friends along! We can assure you—it's the most stunning style show you've ever seen!

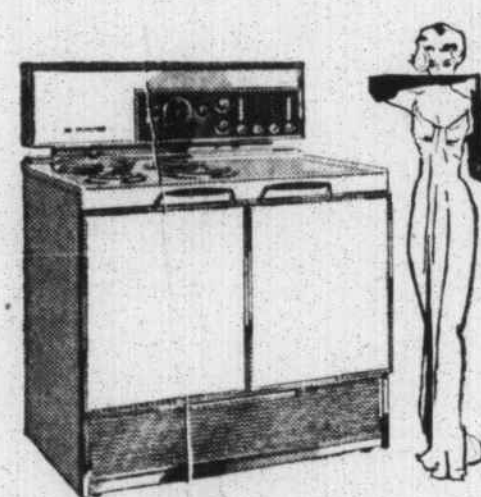

See the "handiest" refrigerators!

See the exclusive Ice-Ejector with easy-reach, automatic ice service. See how it triggers cubes in a twinkling from tray to storage bin, serves them frosty cold.

See the new Frigidaire Plan-A-Door—the unique feature that gives you a place for everything. Door shelves and compartments can be moved up, down, as you please.

See the new Safety-Seal Latch that ends door slamming for good. Notice how even the merest touch seals the door tight—keeps air out, food fresher. And as a special safety feature, this new latch permits opening from the inside!

See aluminum Roll-to-You Shelves which put foods and dishes "front and center" in seconds—without hunting or poking!

See the "thinkingest" ranges!

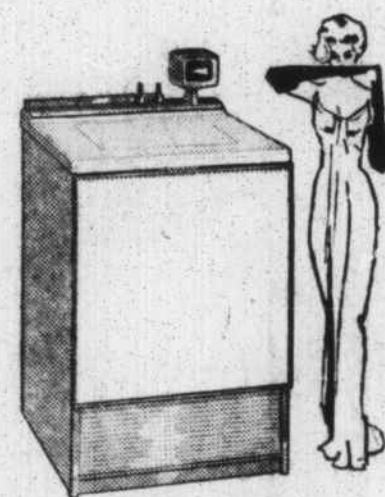

See the new "Thinking Panel" that masterminds a host of automatic laborsaving devices—cooks whole oven meals even while you're away.

See how one oven can become two ovens—each with its own temperature control—in a matter of seconds.

See the new super-fast Sear-Speed Radiant Broiler that sears just like charcoal.

See the Frigidaire Miracle Filter that swallows up smoke and fumes from baking, roasting and broiling.

See the two "French Doors" that open from the center, make cleaning easier, put an end to reaching over a hot door.

See the "savingest" washers!

See how Rub-Free Washing Action launders all fabrics cleaner with suds-charged water instead of harsh blades—saves your clothes from needless wear and tear!

See how Float-Over Rinse flushes dirt, lint, scum from clothes automatically. And there's no filter trap to empty—no dulling film to cloud your nice white things!

See how Imperial Rapidry Spin whirls more water out of clothes—up to 4 pounds more than any other washer made. Prove it yourself. You'll find many items are ready for ironing.

See how you can save up to 9 gallons of hot water per load and enough detergent for more than 150 EXTRA washes a year!

CLOSE-OUT ON 56 MODELS!

We have a few 1956 FRIGIDAIRE Appliances left—but they'll go quickly. So—if you're interested in a '56 model at a worth-while saving—be sure and ask when you're at the show.
